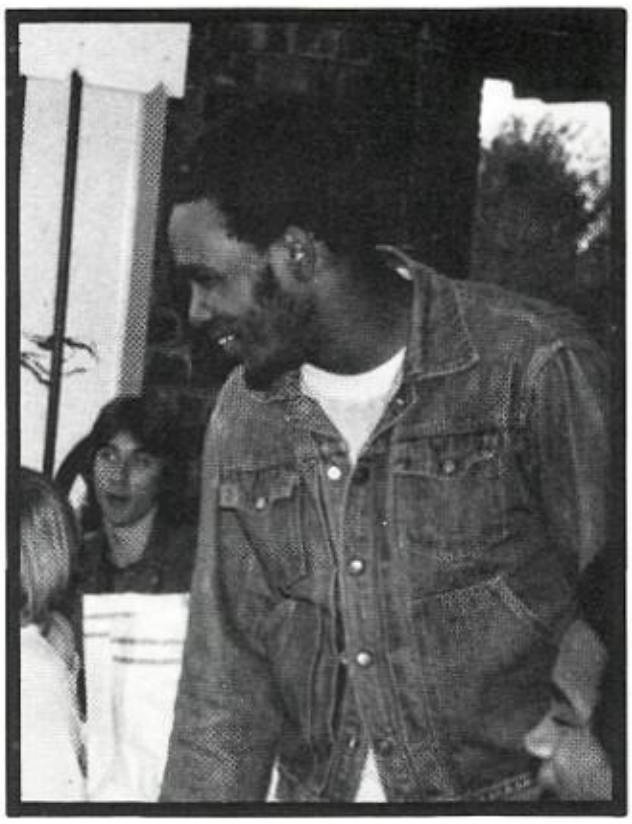
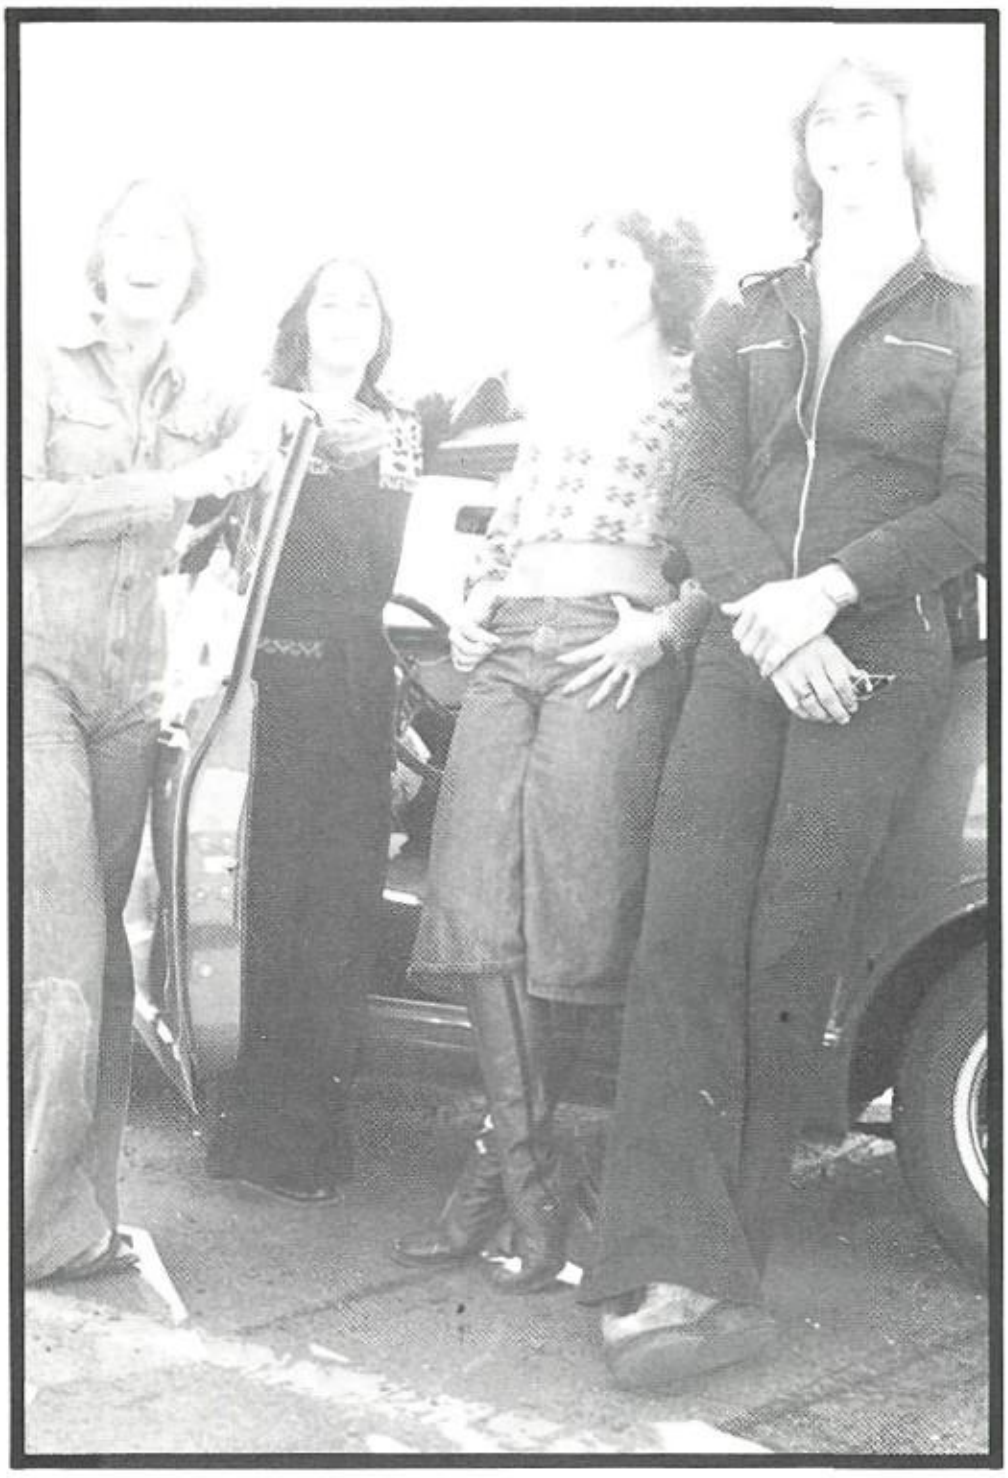
FROM "SHORT SHORTS" TO "JEANS ON"





RAIDERS SAILED INTO MUSIC WITH CRUISIN' 1950's

MIGHTY H.H.S. RECREATED THE 50's WITH A ROCKIN', ROLLIN', RAIDER DAY.

In the 1950's Jack Carney, a St. Louis Deejay, invented a radio character by the name of Pookie Snackenberg, who became a hero to the teens. Rock and Roll was on its way and Pookie helped get it there.

The '50's were very eventful years. Dick Clark's "American Bandstand" was pulling eight-million-plus viewers daily and Elvis Presley was drafted into the army. It was a period of settling in on the international scene as well, a period of shifts and stops.

Nikita Khrushchev was named the new premier of the Soviet Union. John XXIII became the new Pope. The U.S. launched its first satellite, and nuclear test ban talks began.

Besides humor, there was a compulsive faddishness about much of rock. For instance, "Short Shorts," by the Royal Teens, and "Get a Job" by the Silhouettes. Rock had a rollicking sense of comedy in the fifties and the Raiders recreated the scene with the "Fonz," bobby socks, red lipstick, and juke box, and the usual greasers.

COACHES LED RAIDERS TO FIRST DISTRICT WIN

Coaches Rhodes, Sumter, Williams, Davis, and Graham produced a promising young football team. These dedicated men gave unselfishly of their time to the athletes.

The experience and knowledge gained will help each player compete in the game of life. These men instilled into each member a sense of teamwork and friendship.

With these coaches returning next year and with the steady drive of the athletes, "the Mighty Raiders" will have a winning season

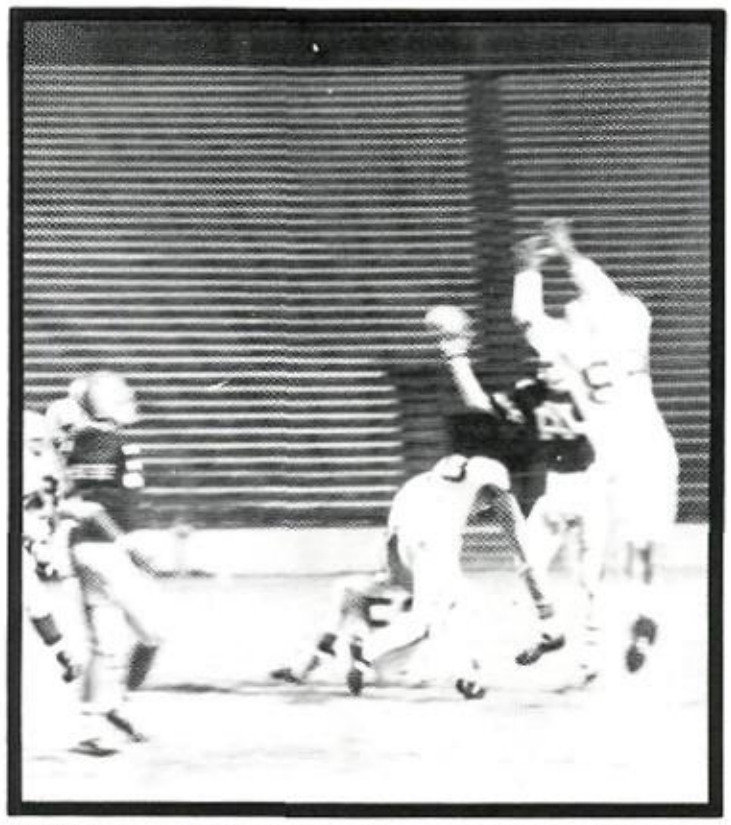
AND HERE WE GO!

HUNTINGTON TOPPED NORTH CADDO, 9-7

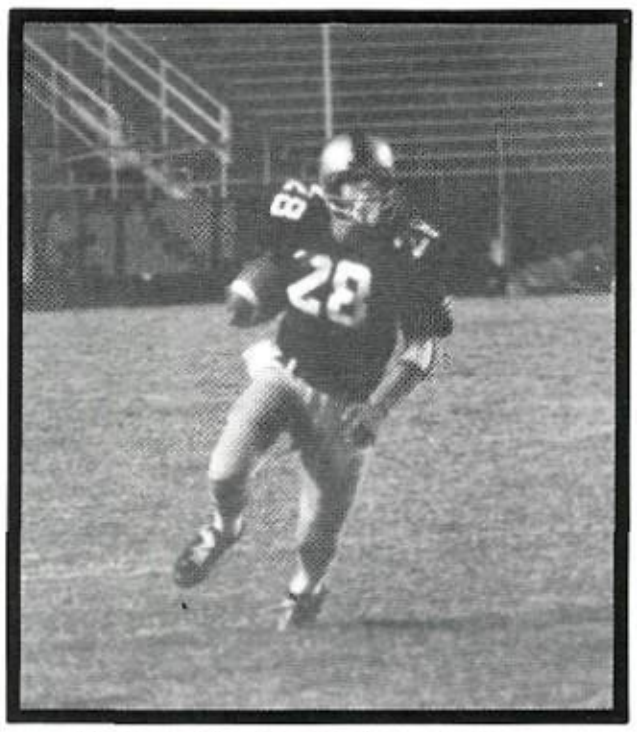
The Raiders were fired up for their season opener against the North Caddo Rebels. Although neither team could generate much offense, Huntington prevailed as the winner. Russ Hudson set up the first score when he recovered a fumble in Rebel territory and three plays later Wayne Methvien booted a 34 yard field goal to set a school record for that feat.

The Rebels came back just before the half ended with a 7 yard run by Charles Abraham to put North Caddo in lead 7-3.

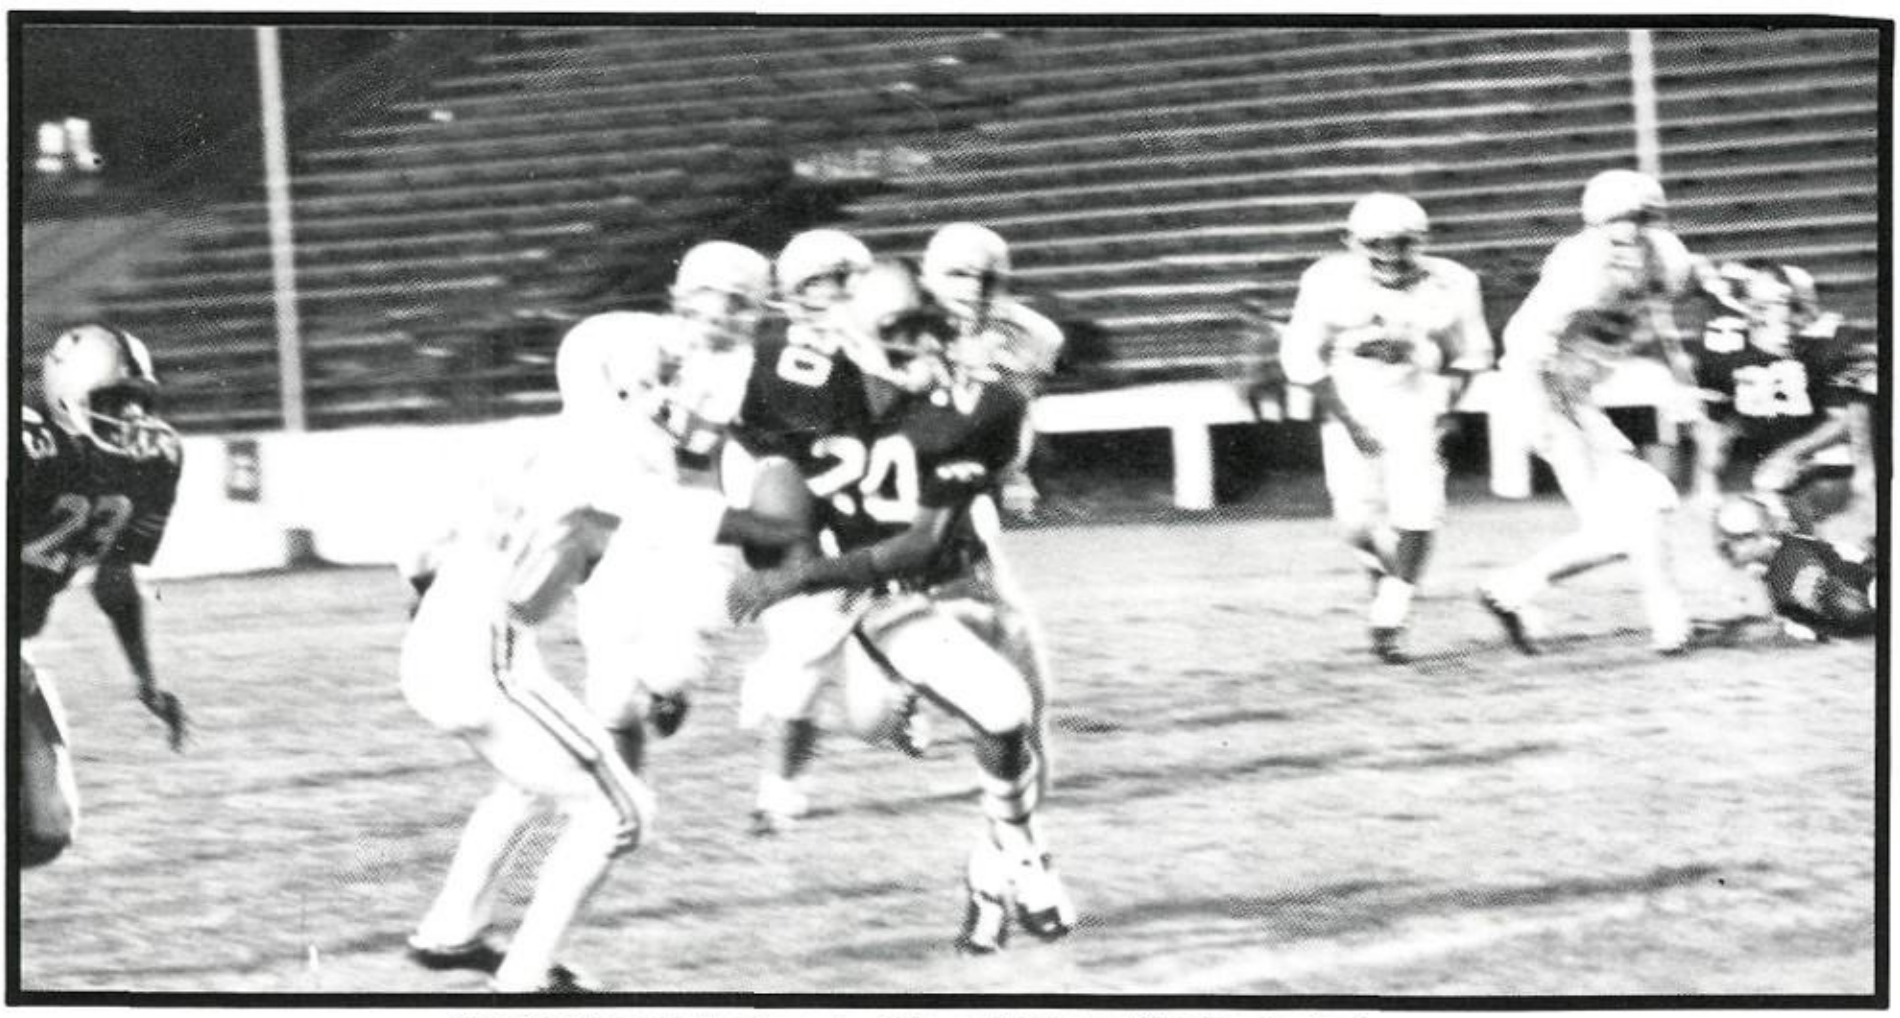
The second half was scoreless until Gerald Newson received a pitch from Stan Powell and galloped in from the 1 yard line. The point after failed thus making it 9-7.



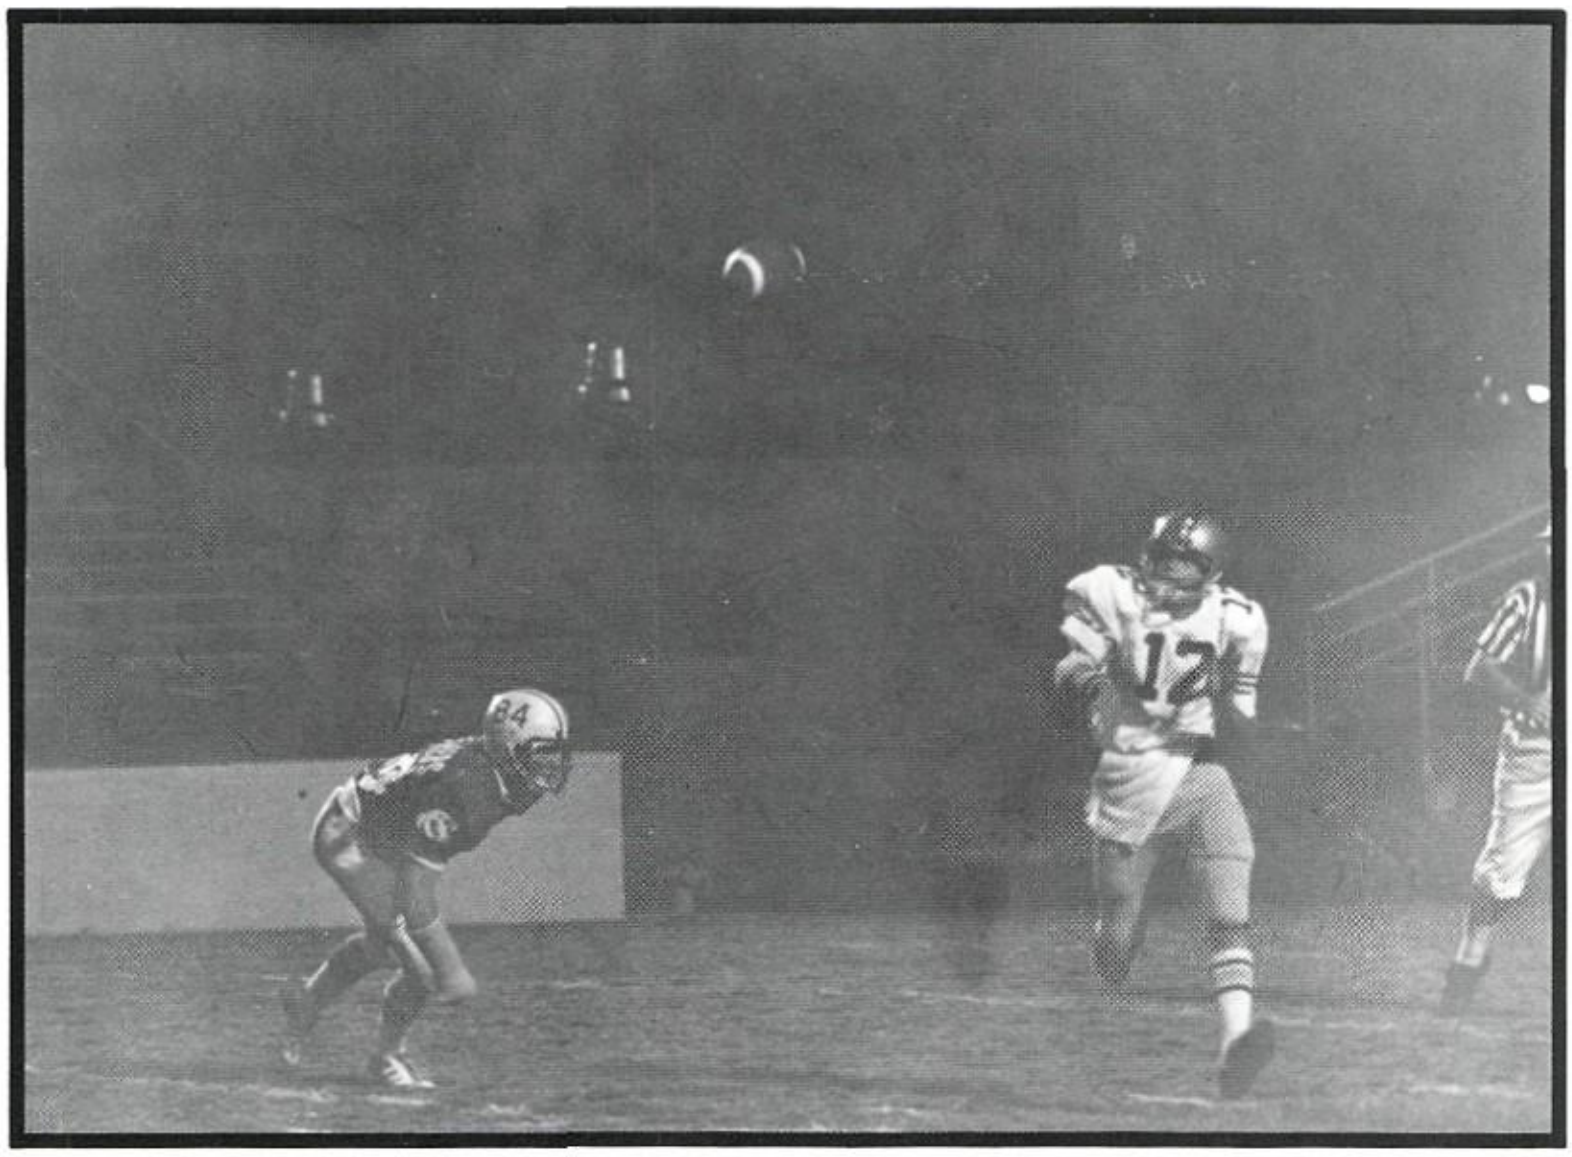
Junior quarterback, Larry Crane, attempted to pass to Carlos Baker.



Boogie Boggs ran for yardage.



Gerald Newson broke a tackle as Marcus Higgins looked on.

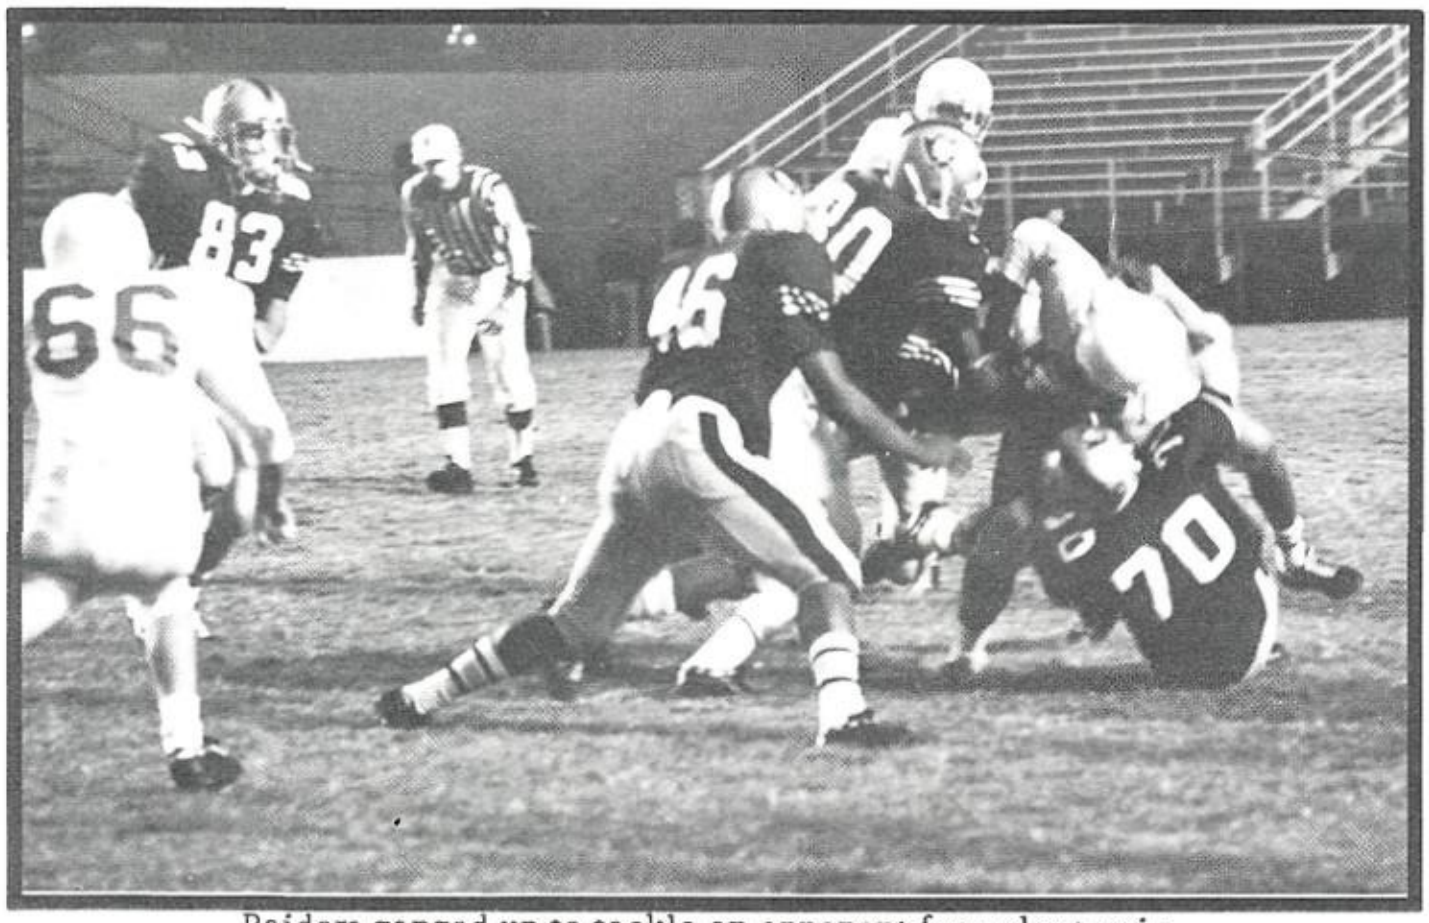


Stan Powell attempted a pass as a defender closed in on him.

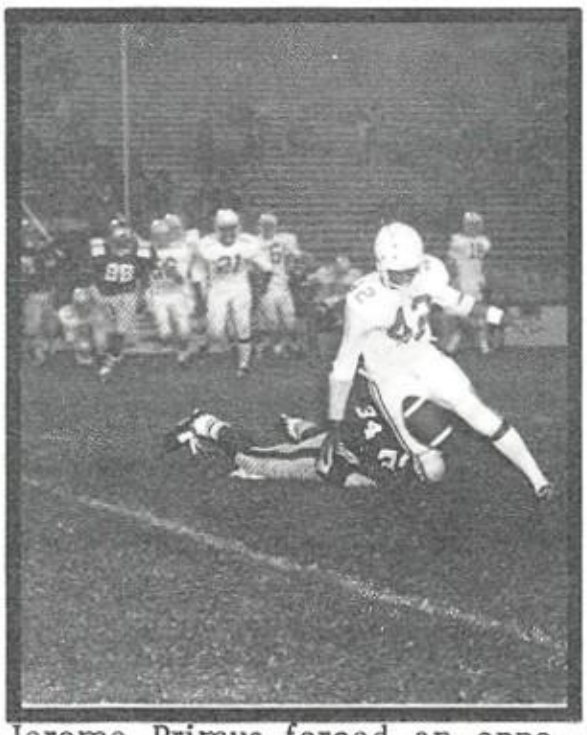
Cheerleaders always supported the team.

RAIDERS MANHANDLED GIANTS, 34-6

On a rain soaked field Huntington won its second straight game, 34-6 over the Giants of Green Oaks. Tim Tipton contributed to the victory with runs of 1 and 3 yards. Carlos Baker also scored from the 1. The other two scores came when Russ Hudson picked up a Green Oaks fumble and ran it in from 27 yards out and when Jerome Primus intercepted a lateral and ran it in from 2 yards out. The only Green Oaks score came on a 63 yard kick-off return by Kevin Hill.



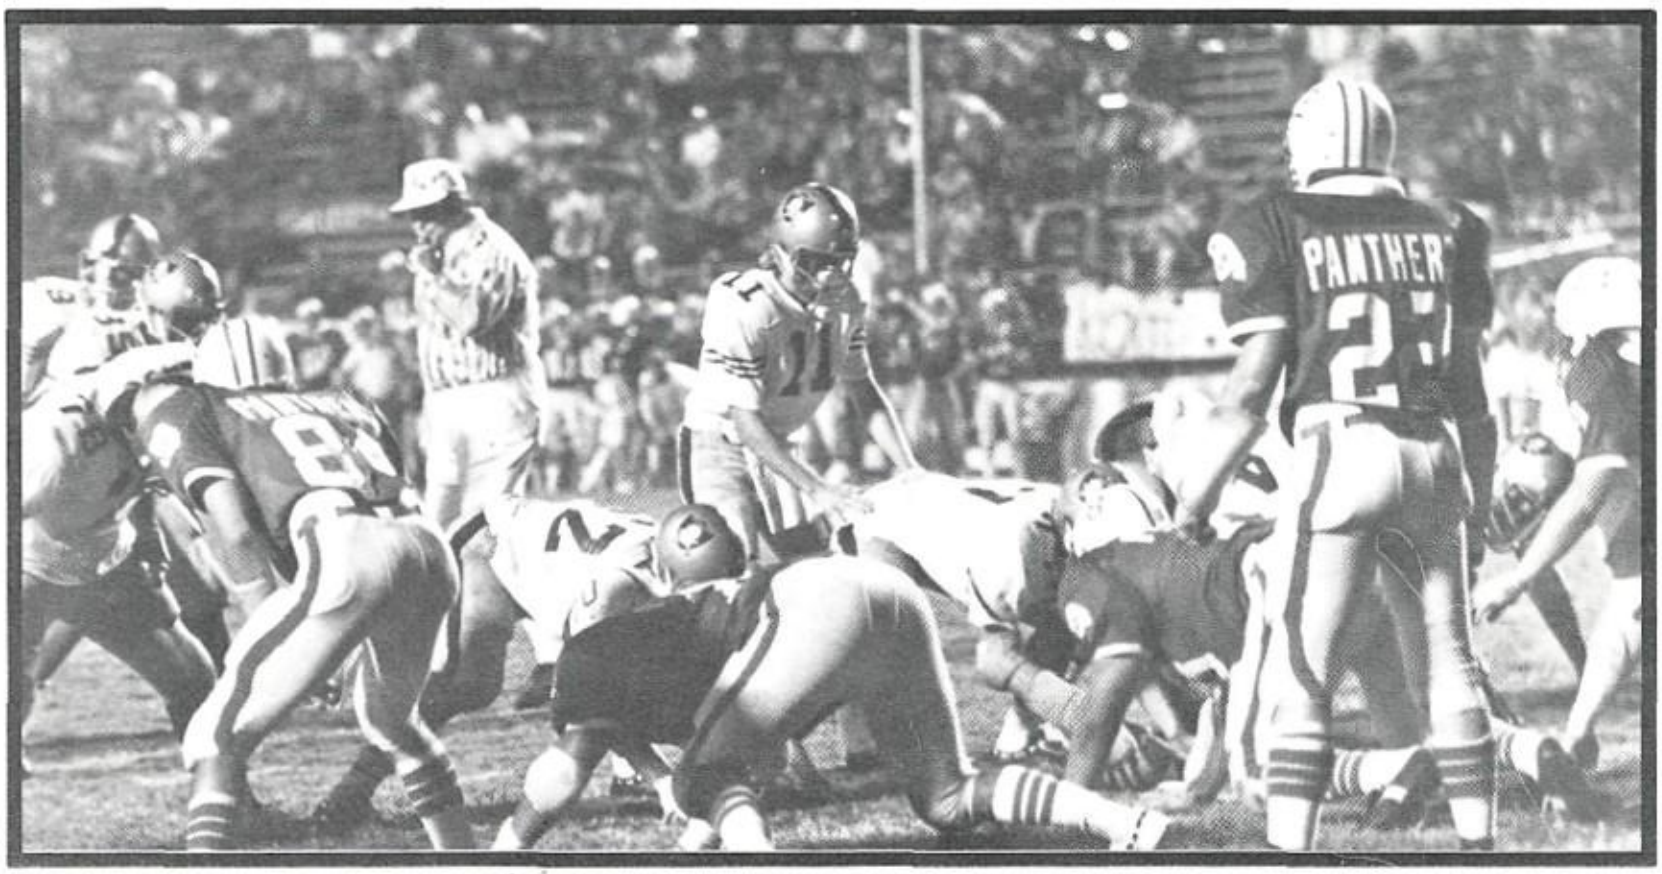
Raiders ganged up to tackle an opponent for a short gain.



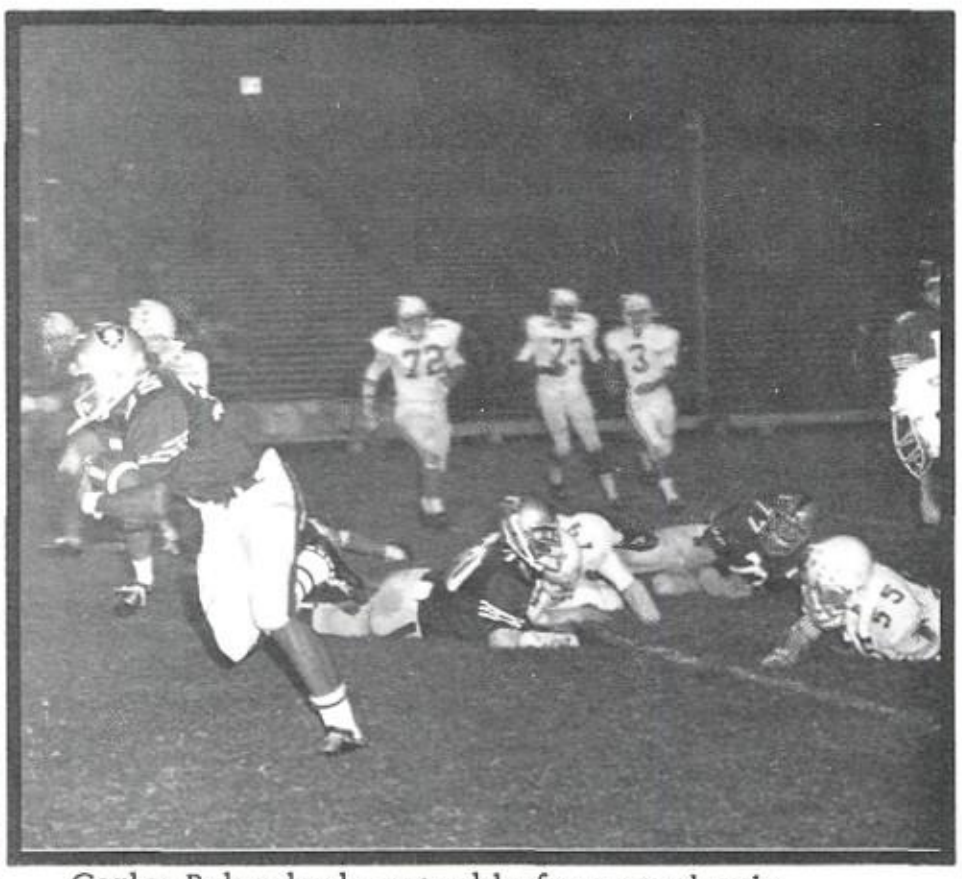
Jerome Primus forced an opponent to fumble the ball.

Tim Tipton looked for a place to run.

Gerald Newson raced for good yardage.

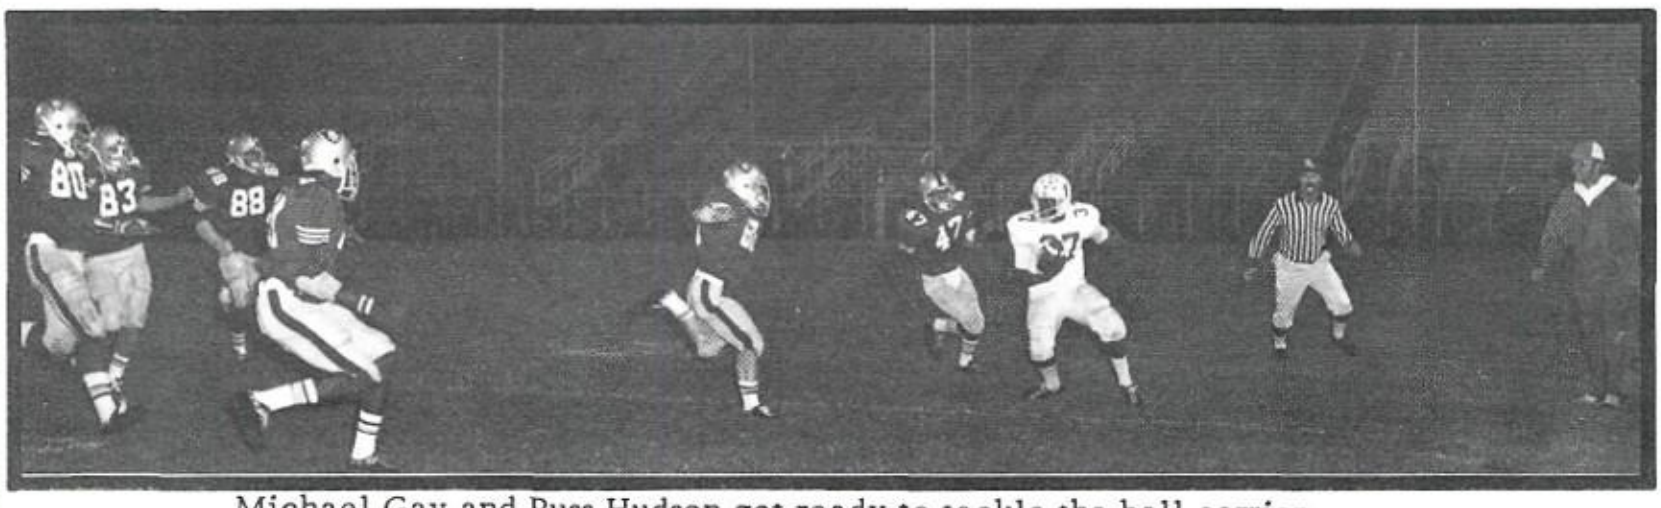


The offense got set for the next play.



Carlos Baker broke a tackle for a good gain.

Gerald Newson did a good job running the football.



Michael Gay and Russ Hudson got ready to tackle the ball carrier.

BUCS NIPPED RAIDERS, 10-7

Junior quarterback, Tim Tipton, swept left end for yardage but was injured on the play.

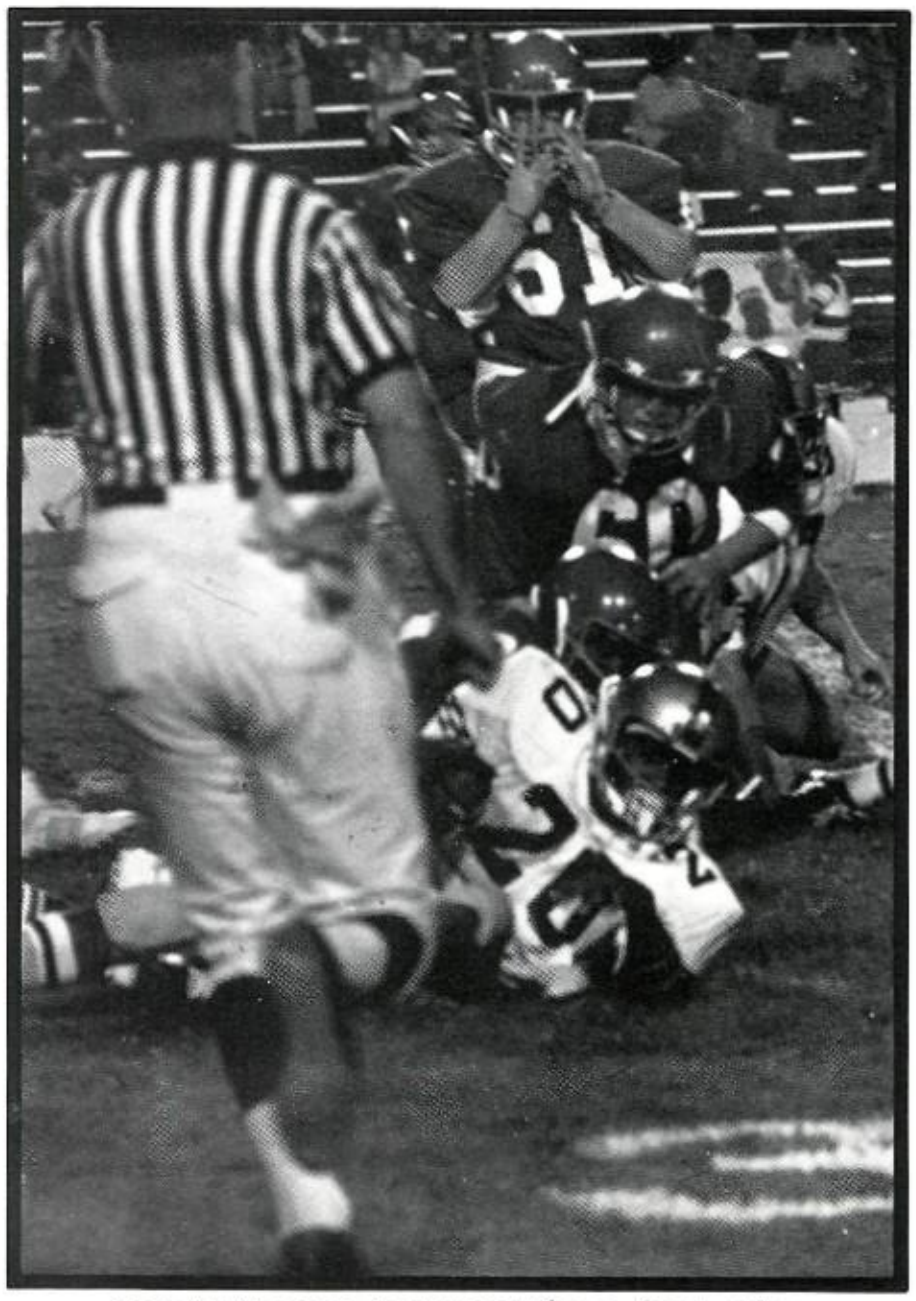
It was one of those nights where you couldn't find the handle on the football. Haughton recovered four of Huntington's fumbles to set up a touchdown and a field goal. That was enough to beat the Raiders 10-7.

Gerald Newson bobbled the ball on Huntington's first possession. On the next play Sonny Lewis ran seven yards and a score for Haughton. On the next Raider possession, Newson fumbled again and six plays later David Causey booted a 32 yard field goal to give the Bucs a 10-0 lead. The only Raider score came early in the fourth quarter when Stan Powell passed into the right flat to Gerald Newson for a 11 yard touchdown pass. The play was set up by a super run of 73 yards by Newson. The game ended with Huntington on the short end of the stick, 10-7.

Cheerleaders Barbara Jackson and Sharon Jackson got ready for a cheer.

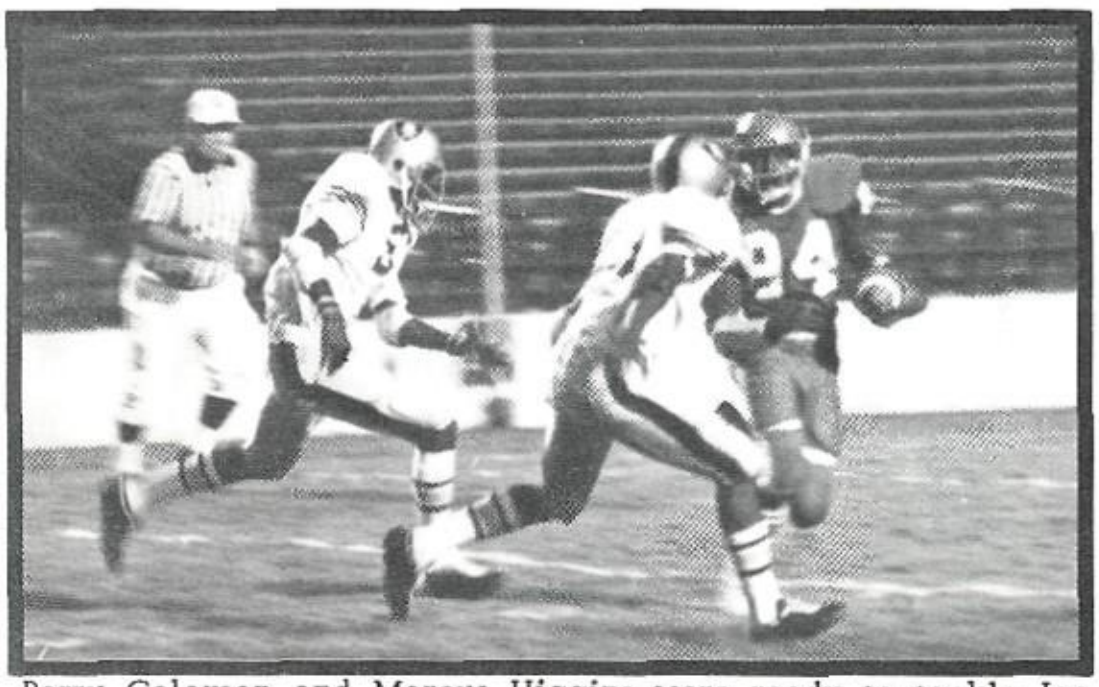
Sophomore quarterback, Stan Powell, started the offense into a new play.

Wayne Methvien punted the ball well for Huntington.



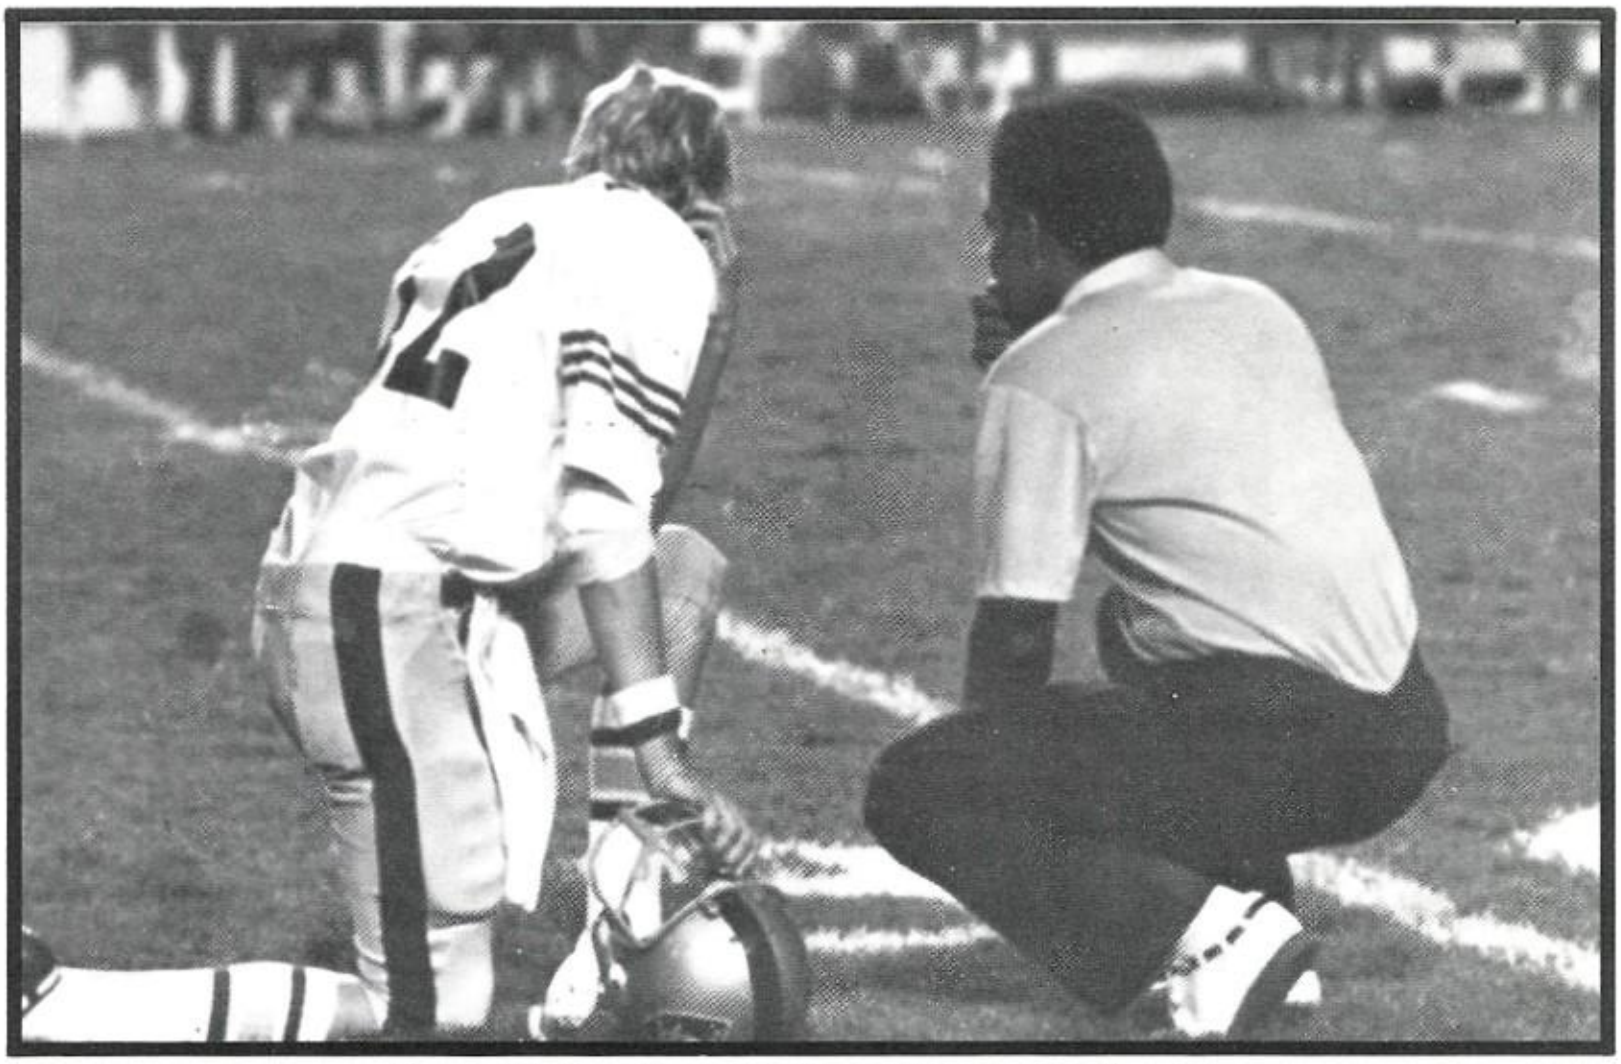
Gerald Newson is stopped for a short gain.

The Raiders converged on the Buccaneer's Sonny Lewis.



Barry Coleman and Marcus Higgins were ready to tackle Joe Delaney.

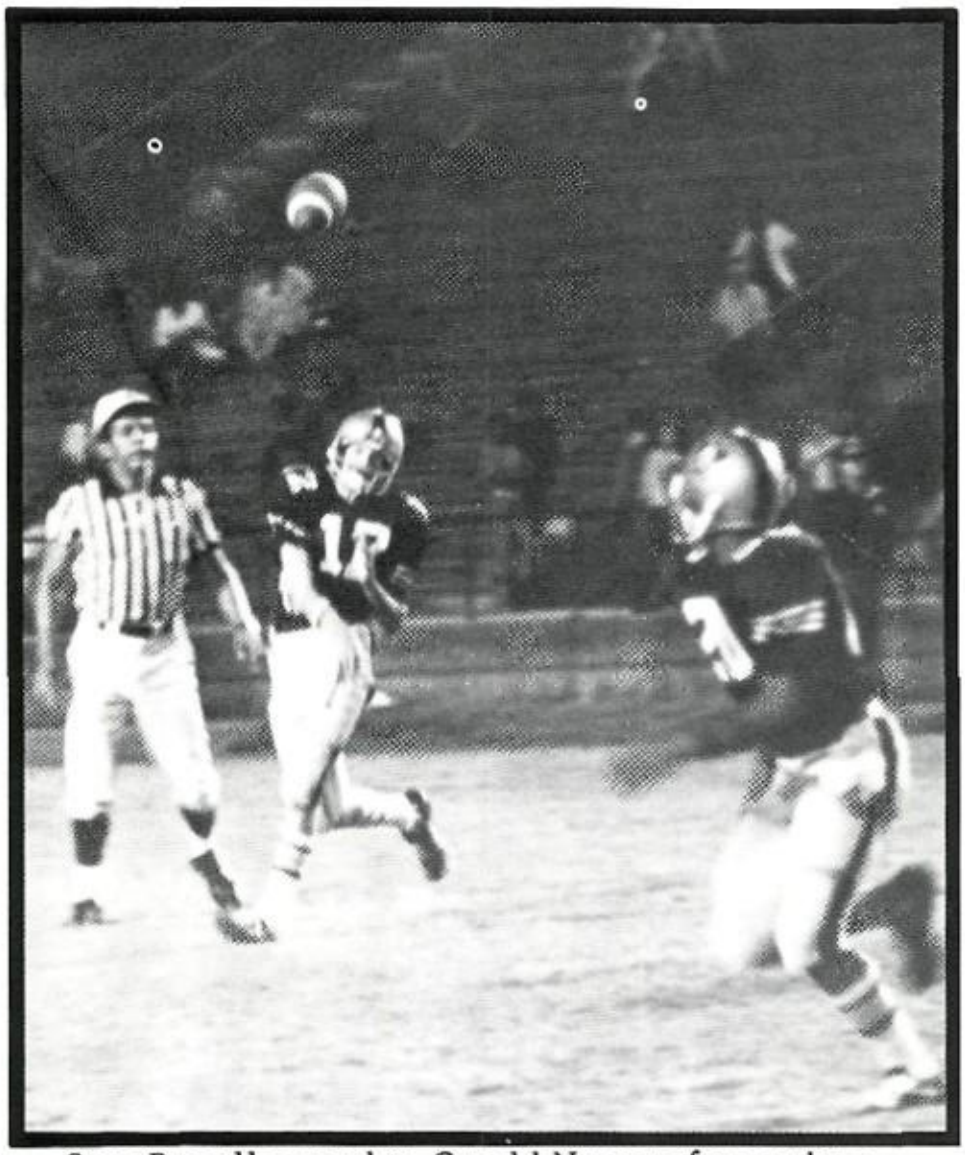
Don Mitchell, Gerald Newson, and Stan Powell carried out their fakes as Carlos Baker gained tough yardage up the middle.



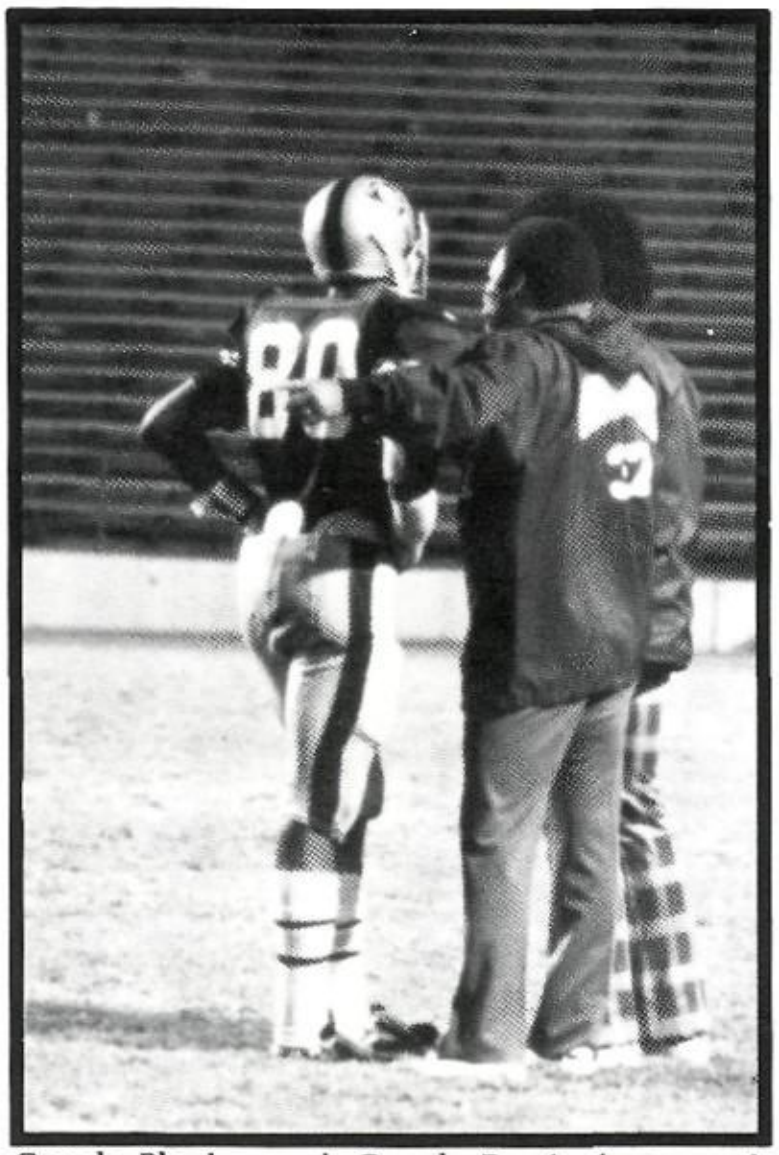
Coach Rhodes discussed the next play with Powell.

The Raider defense went on to the field.

BYRD SHOTGUNNED HUNTINGTON 14-13

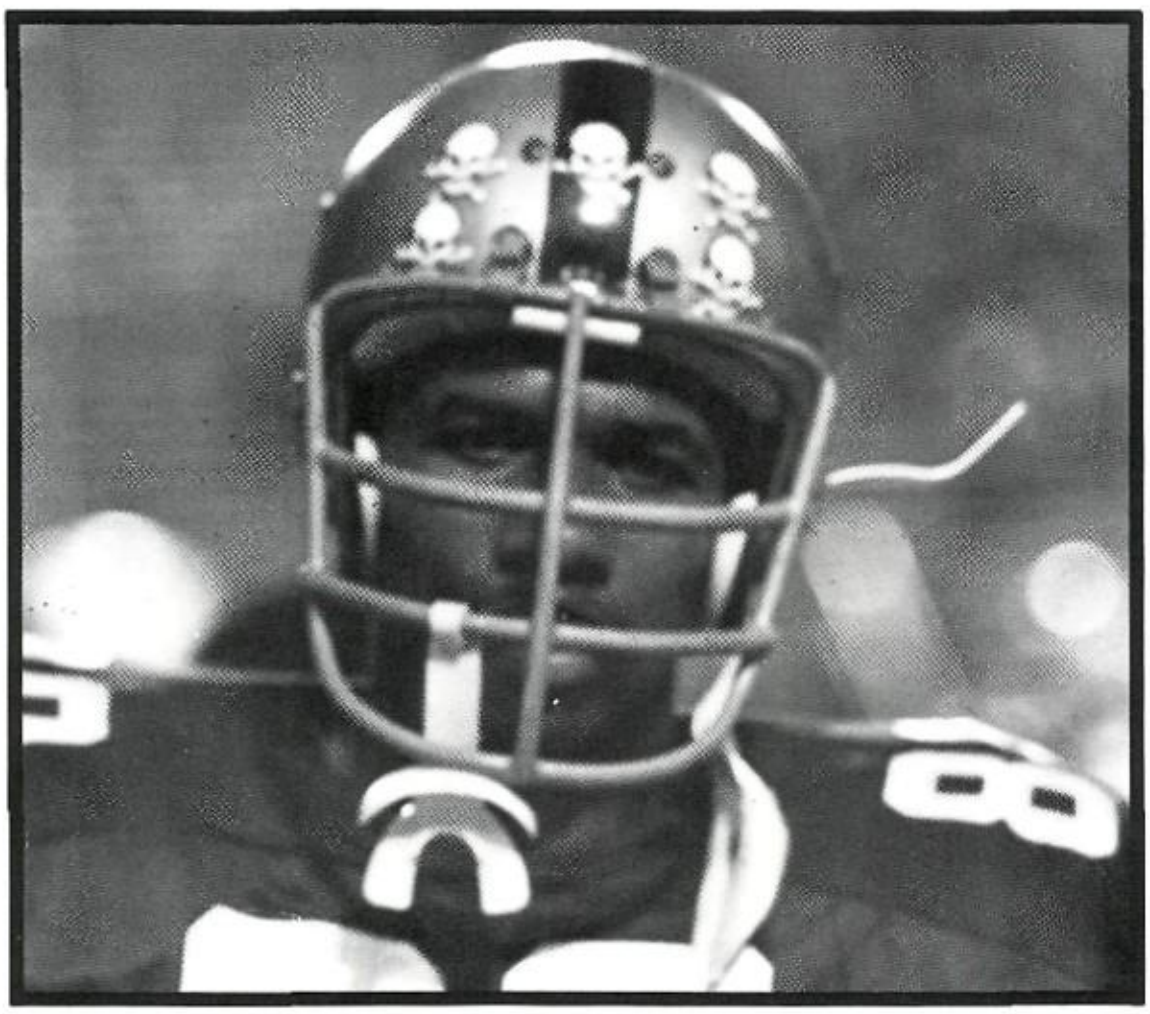


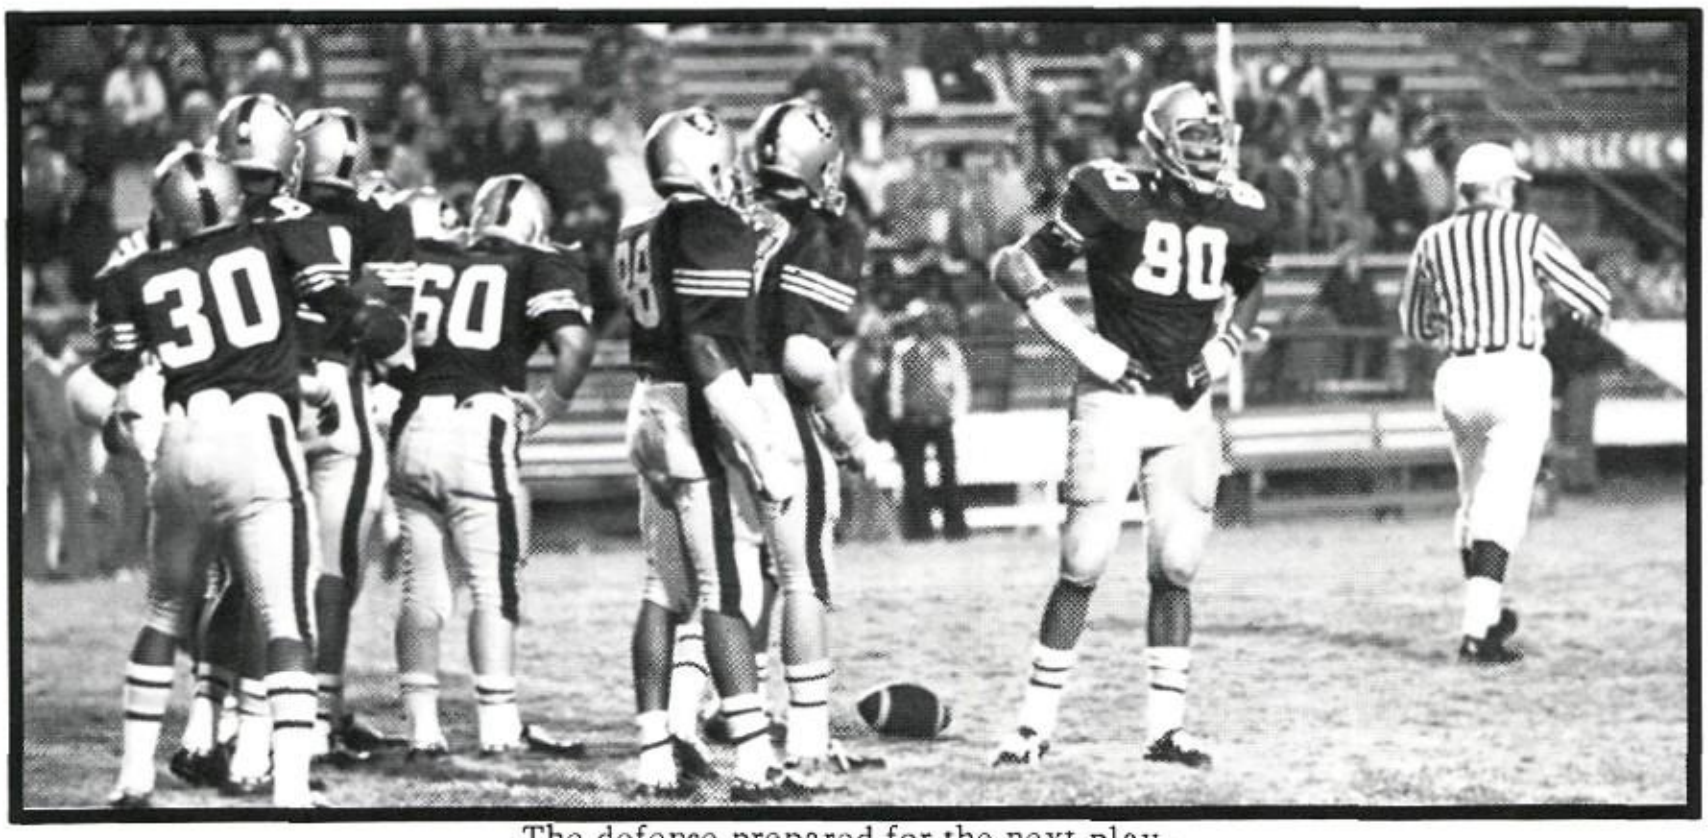
Stan Powell passed to Gerald Newson for yardage.



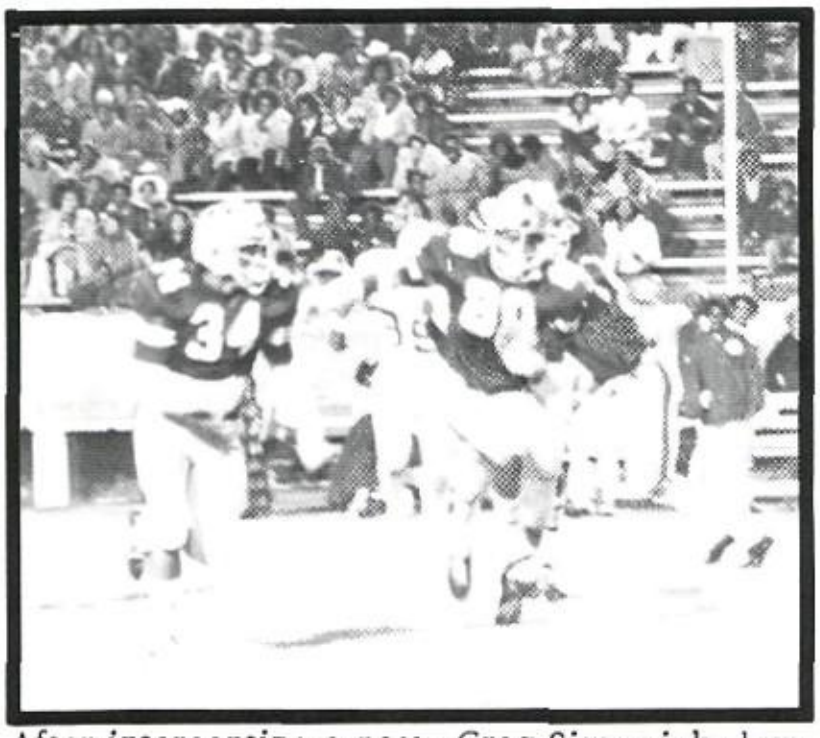
Coach Rhodes and Coach Davis instructed Greg Sims on the next defensive play.

Huntington's first district win ever slipped right out of their hands against Byrd. The Raiders had built up a 13 point lead midway through the third quarter over the Yellow Jackets. The Raiders' first score came on an 8 yard touchdown pass from Stan Powell to Gerald Newson. Huntington's next score came after the half. Tim Tipton engineered a 53 yard drive which ended when Newson recovered Don Mitchell's fumble in the end zone. The extra point went wide. Byrd came back with the shotgun type offense and scored two touchdowns. Both extra points were added and Byrd stole Huntington's first district win ever by the score 14-13.



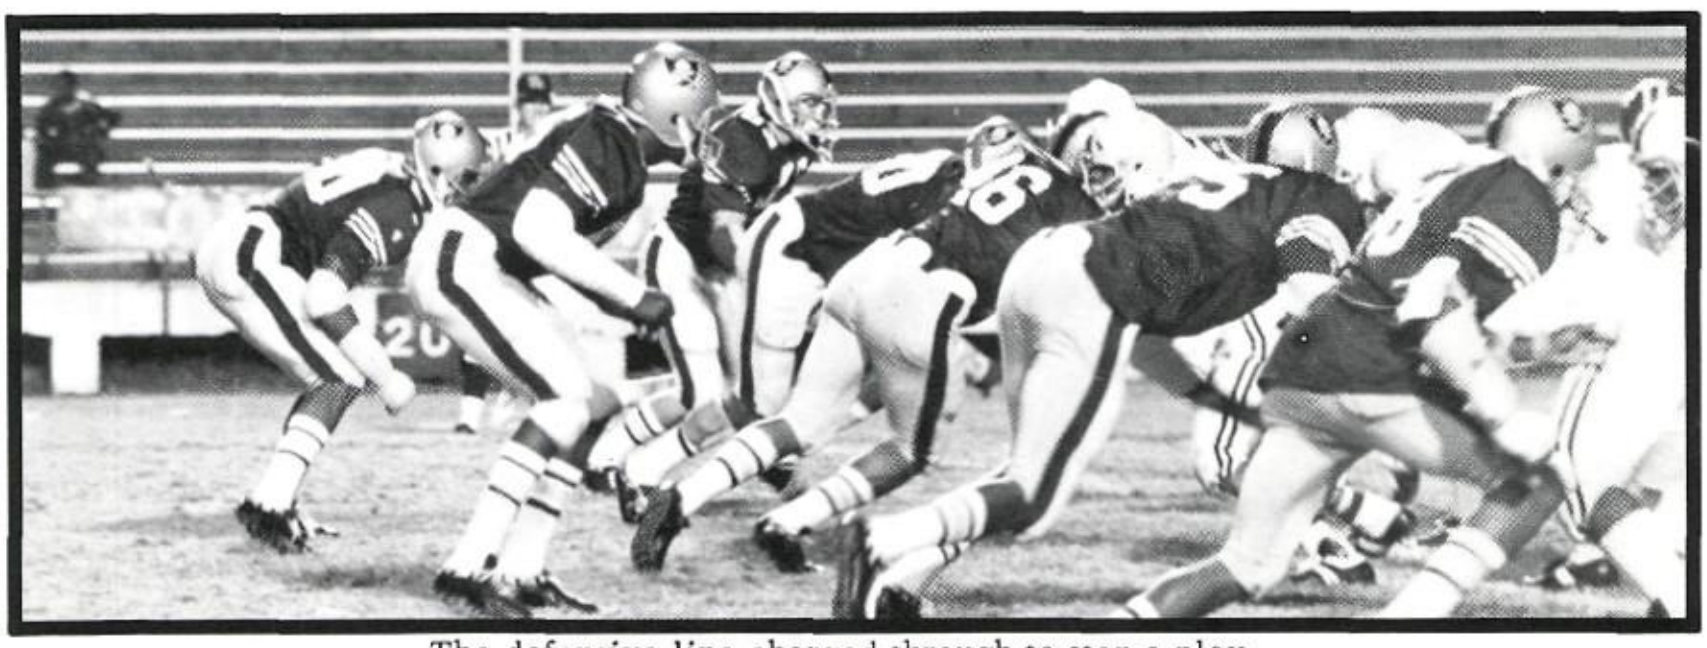


The defense prepared for the next play.



After intercepting a pass, Greg Sims picked up yardage with Jerome Primus ready to block.

Powell swept right end for a sizeable gain.



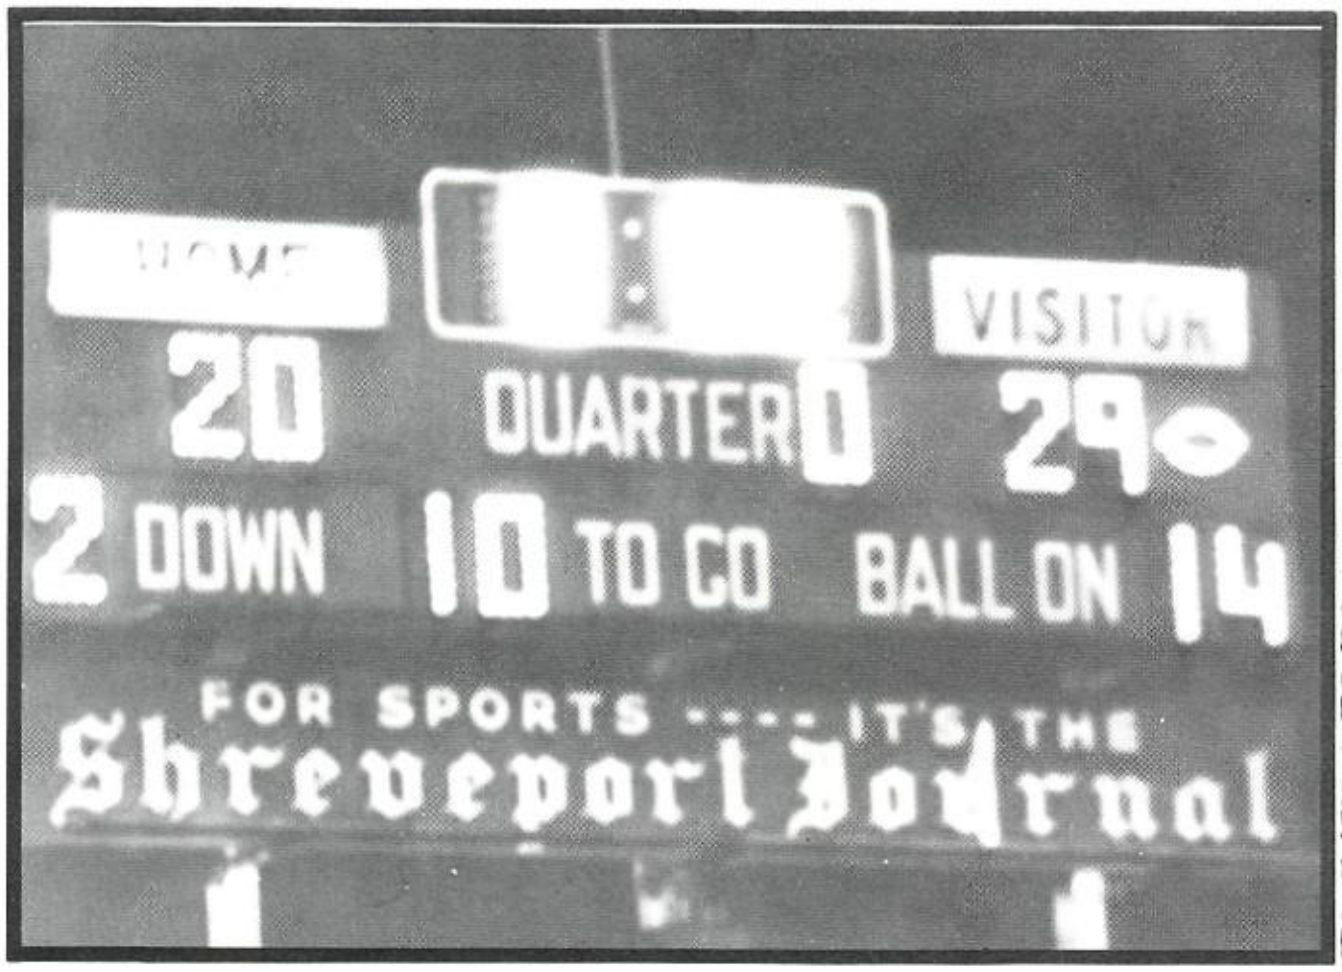
The defensive line charged through to stop a play.

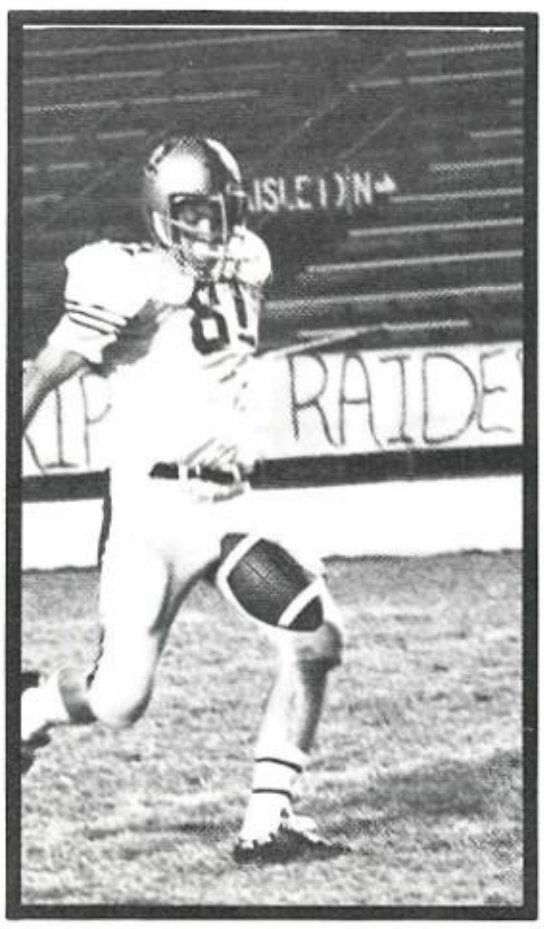
RAIDERS PLUCKED FALCONS, 29-20

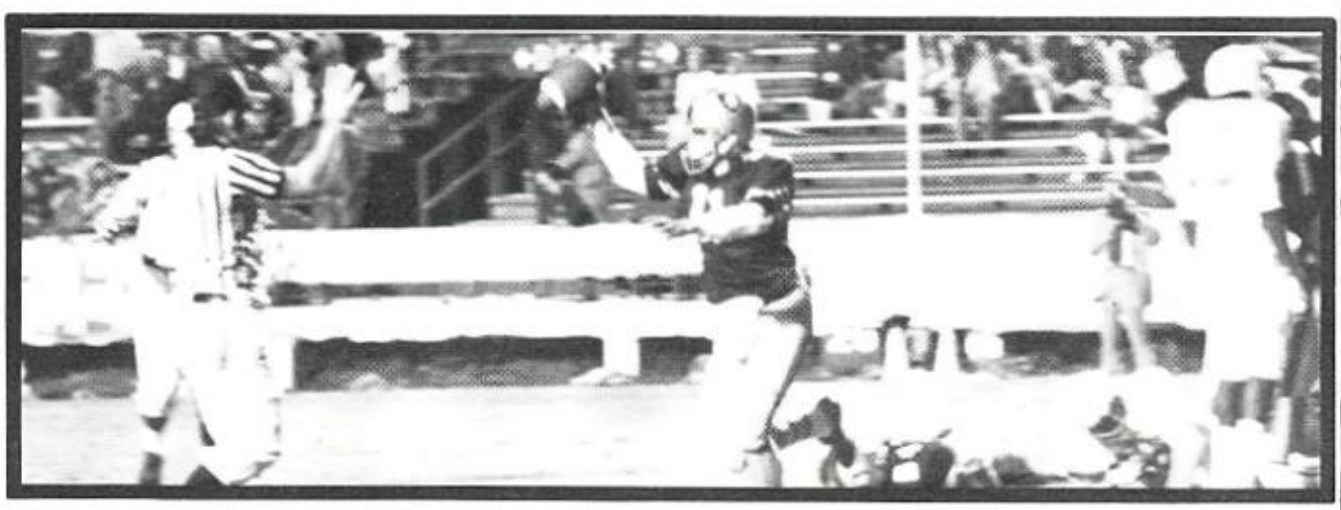
Gerald Newson, Carlos Baker, Don Mitchell, and Tim Tipton were all in the scoring column as Huntington defeated Northwood by a score of 29-20. The Raiders built up a 22-6 halftime lead. Newson started the scoring with a 55 yard punt return. But Northwood came right back and ran the kickoff back 81 yards for a score. But that was all that Northwood could do in the first half as the Raiders completely dominated.

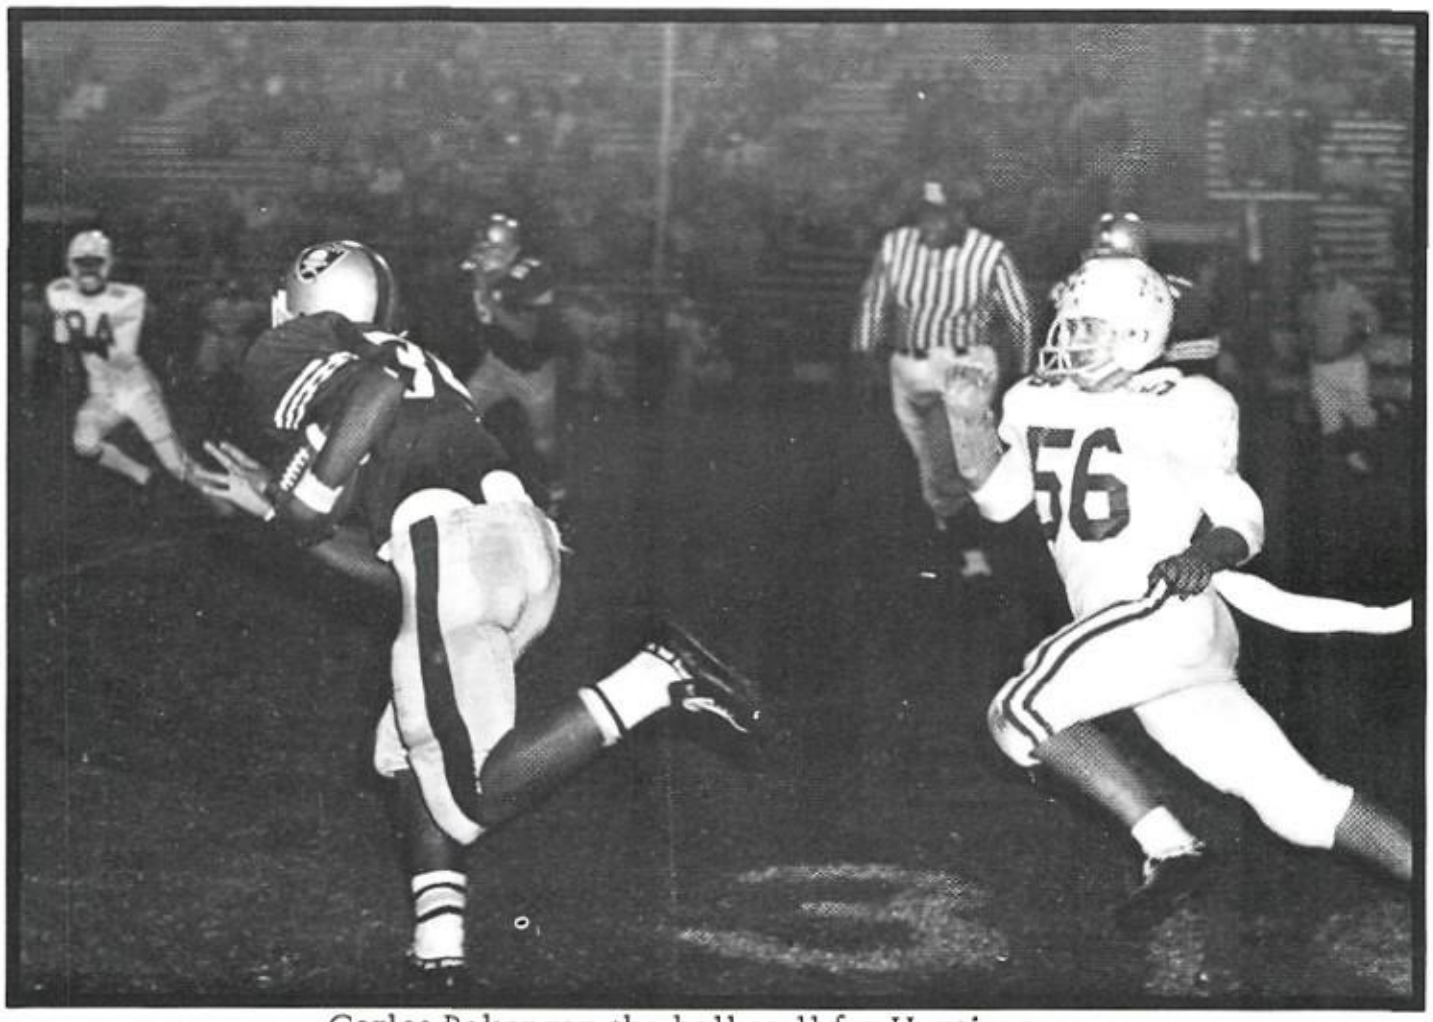
The second half was dominated by Northwood as they almost caught up by scoring 14 points.

Carlos Baker had a 13 yard scoring run, Don Mitchell had a 5 yard scoring run, and Tim Tipton had a 1 yard scoring run. That was the rest of the scoring for the night as Huntington raised its record to 3 wins and 2 losses.





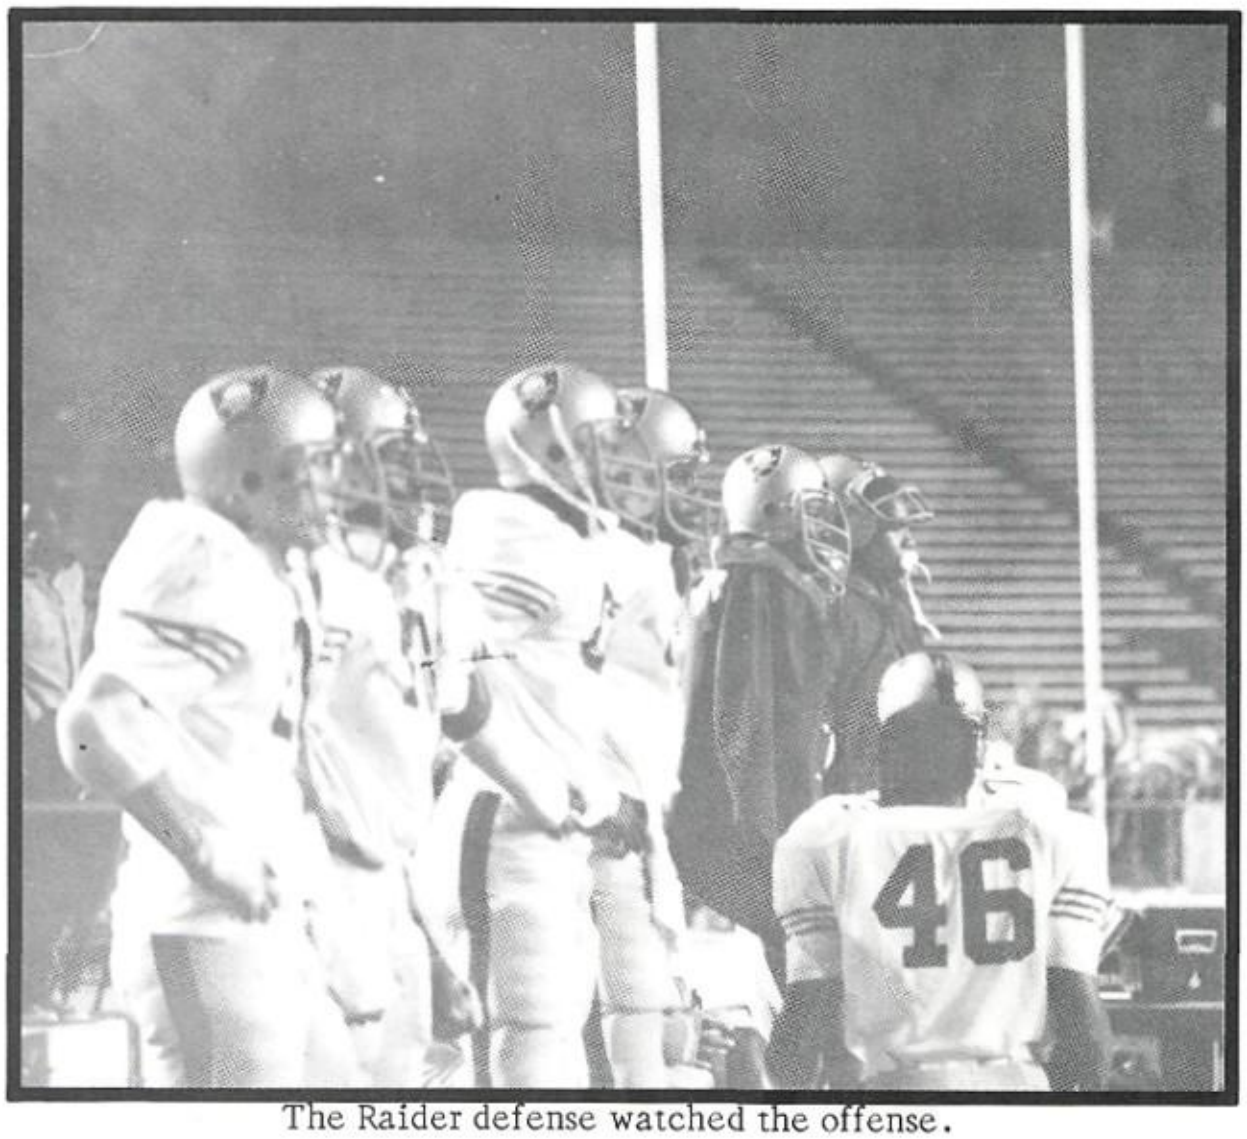




Carlos Baker ran the ball well for Huntington.

Newson received a punt.

Boogie Boggs looked for open field.

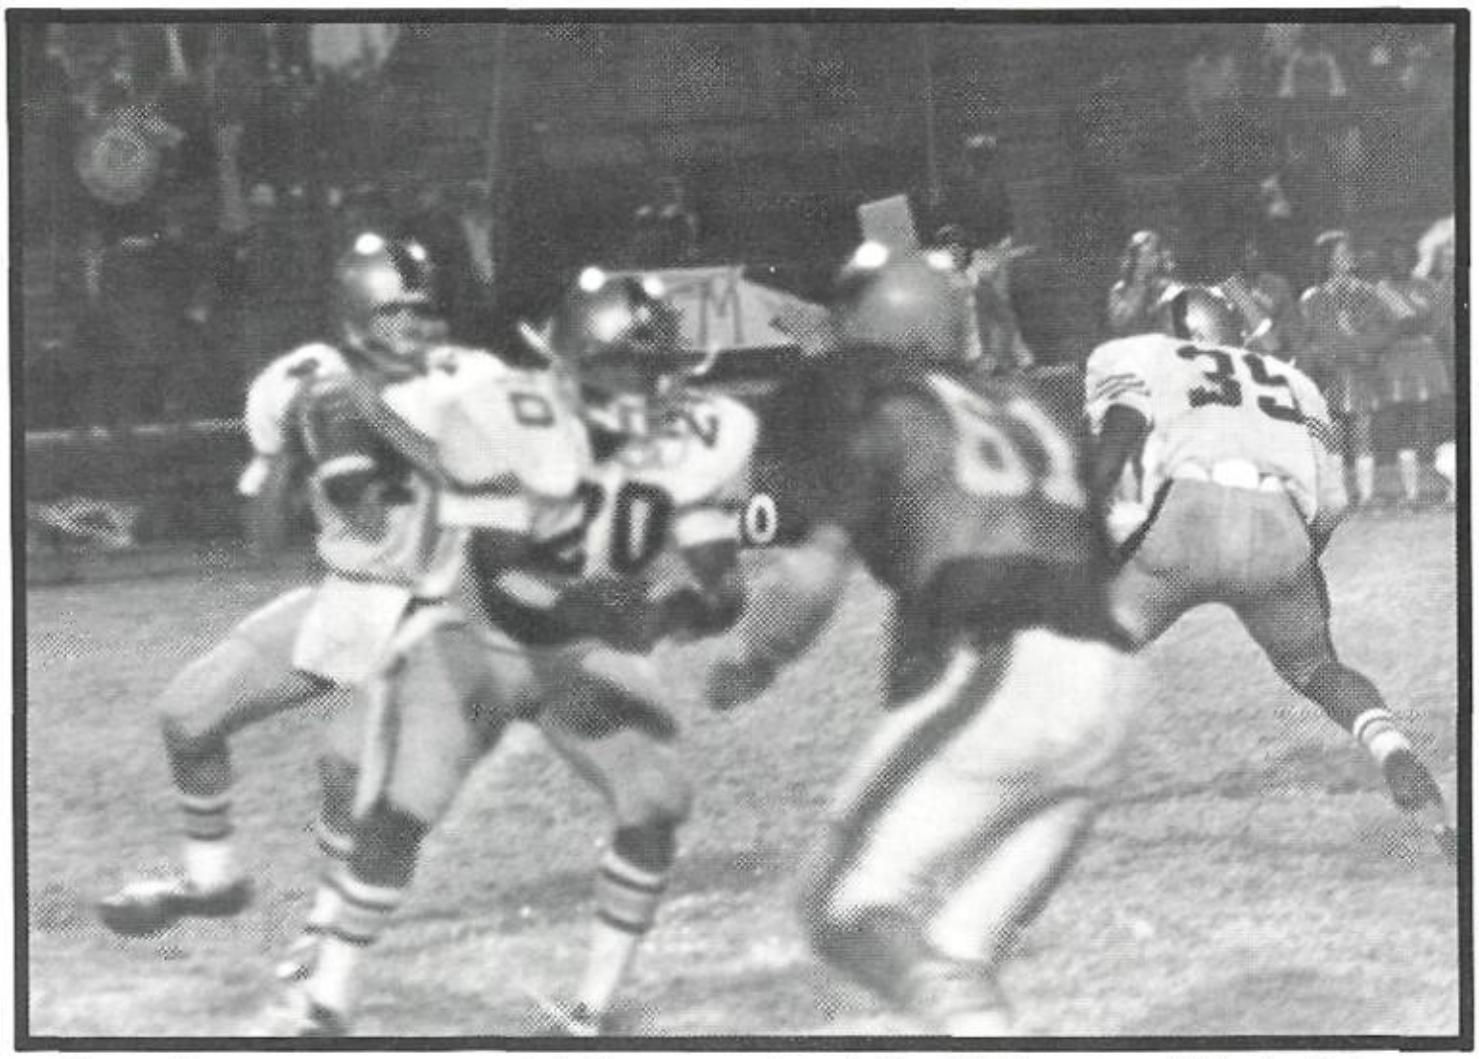


The Raider defense watched the offense.

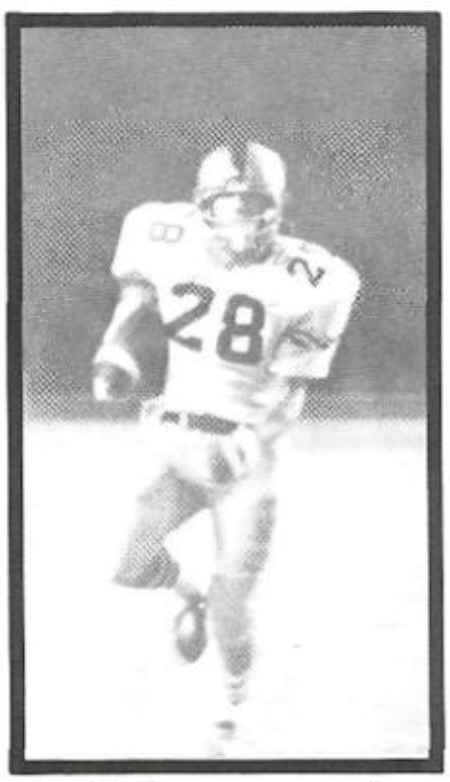
PANTHERS RIPPED RAIDERS, 17-6

Yes, it was a bad night for the Raiders' Homecoming. It rained, Russ Hudson had a neck injury and was taken to the hospital, and we lost.

Parkway had three quick scores in the first half and led 17-0. But the Raiders tried to rally in the second half. We scored on a quarterback sneak by Tim Tipton. The two point try failed and that left it at 17-6.

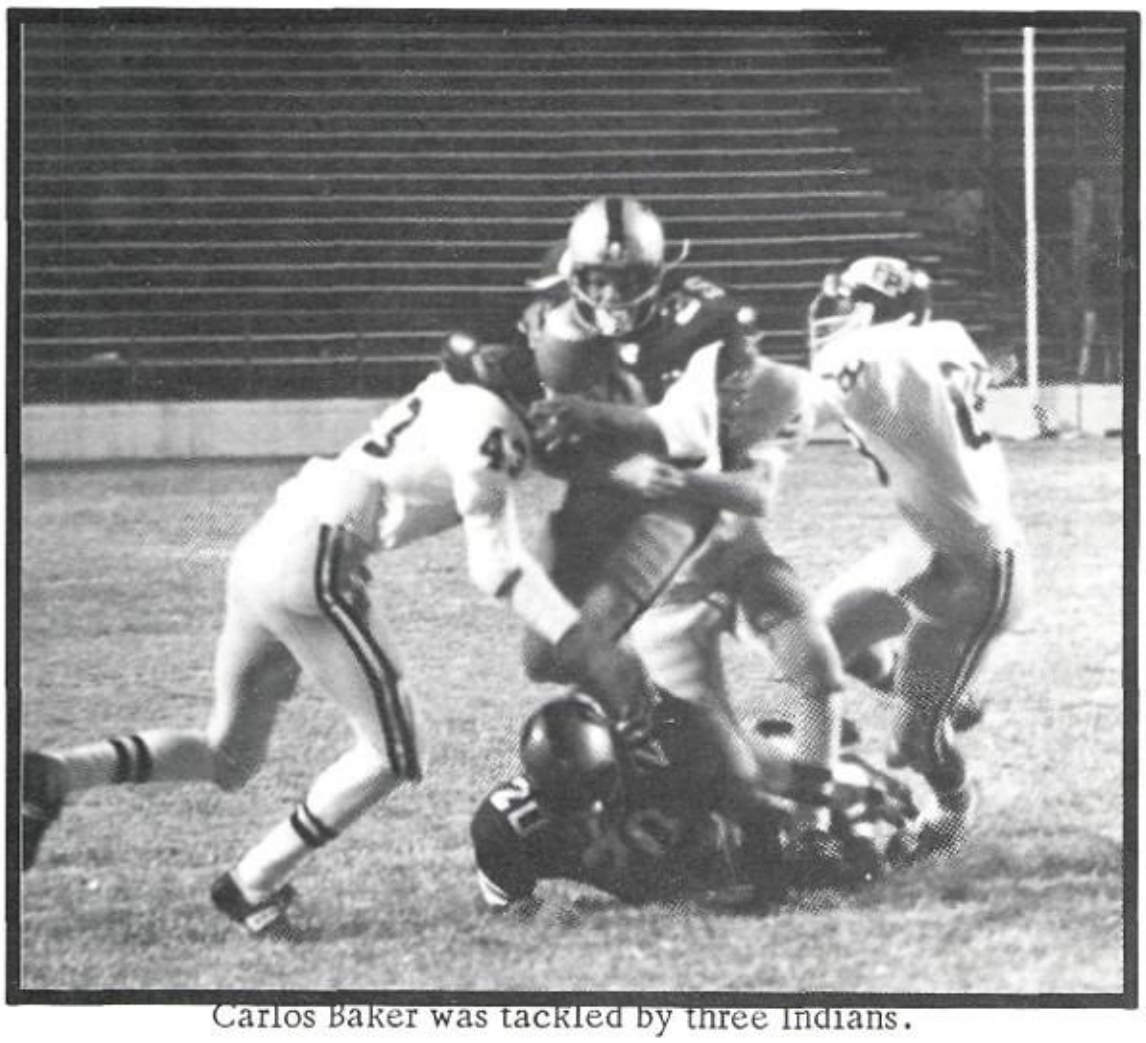


Larry Crane set up to pass with the protection of Gerald Newson and Carlos Baker.



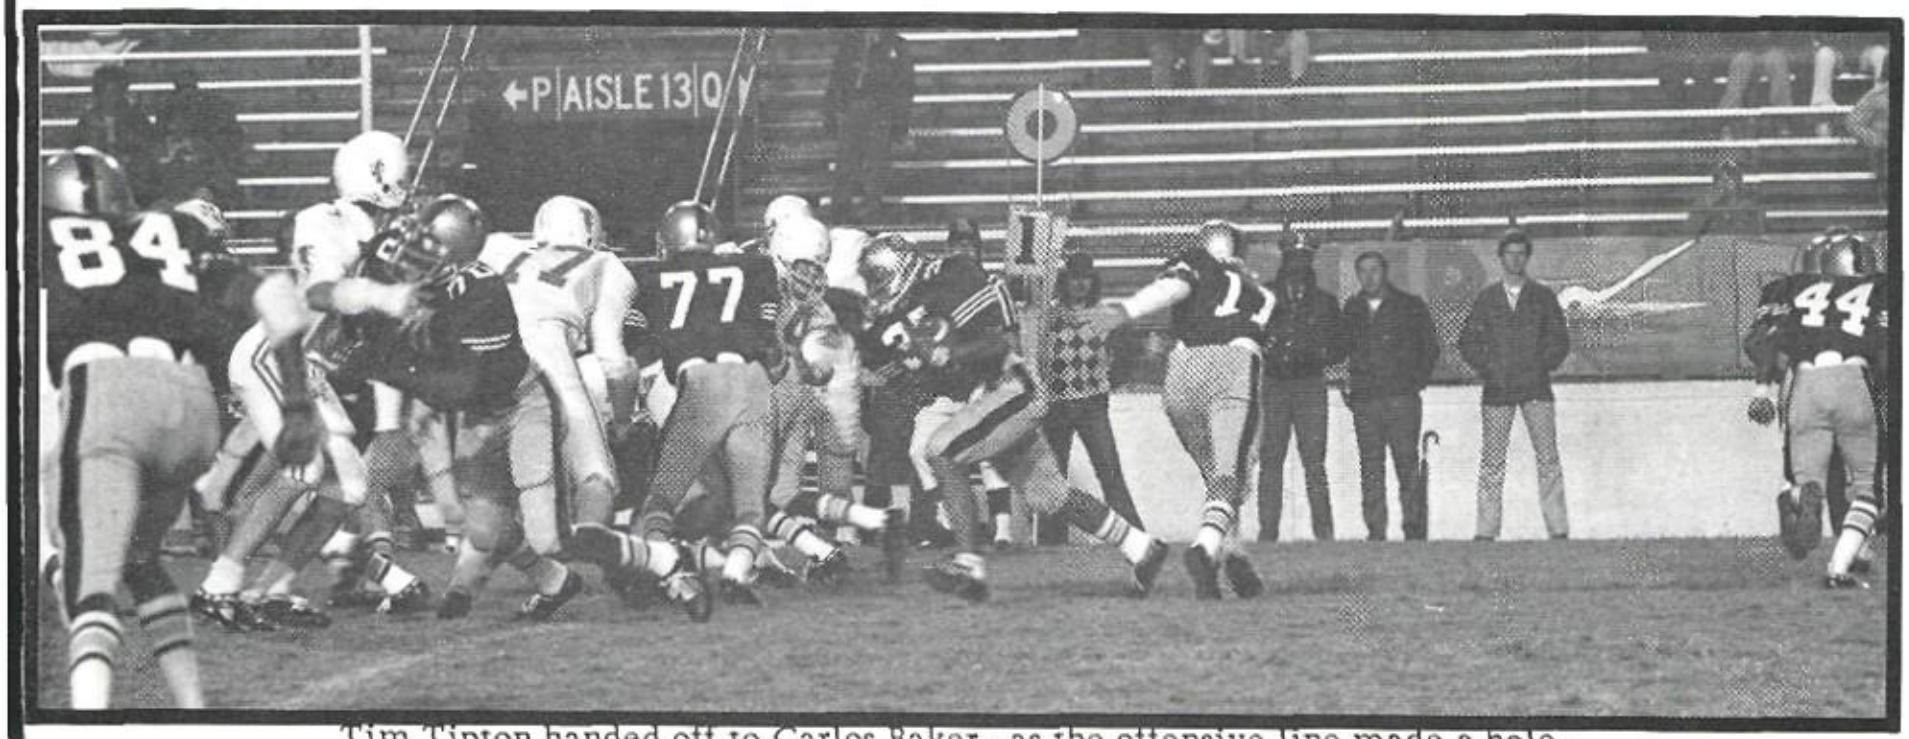
Boogie Boogs ran to daylight.

After intercepting a pass, Marcus Higgins ran it back for yardage.

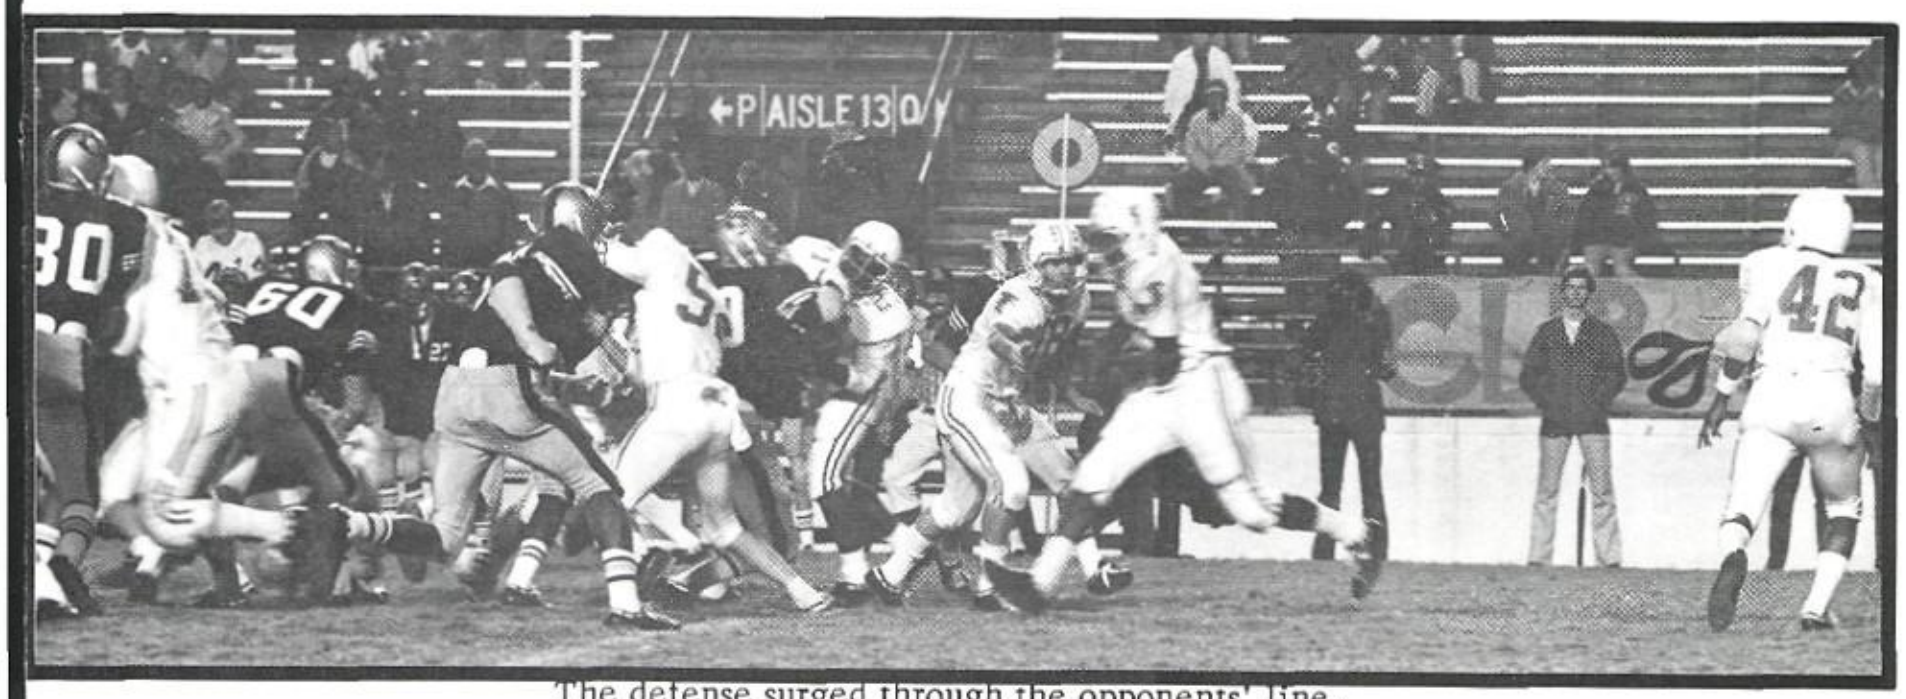


Carlos Baker was tackled by three Indians.

Coach Rhodes shouted plays from the sideline.



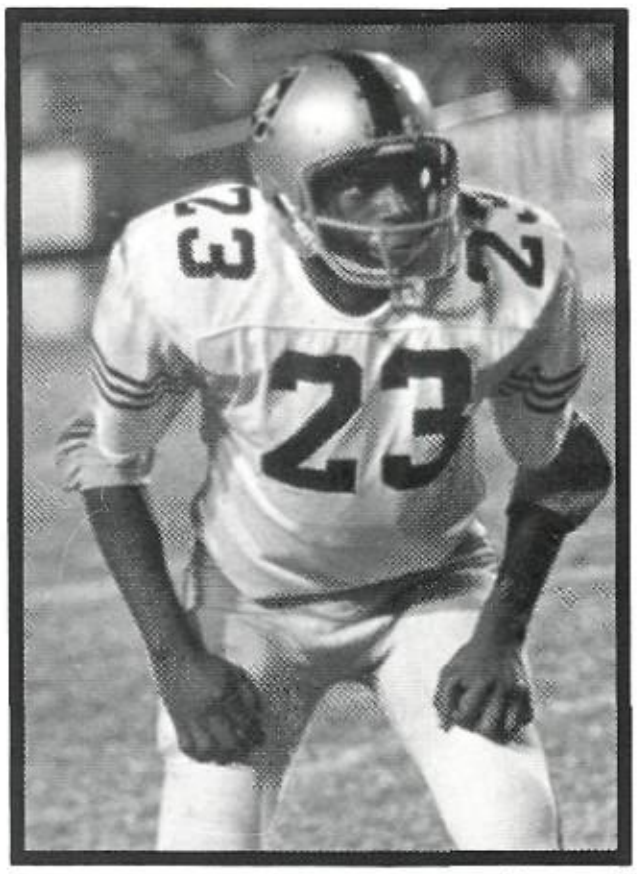
Tim Tipton handed off to Carlos Baker, as the offensive line made a hole.



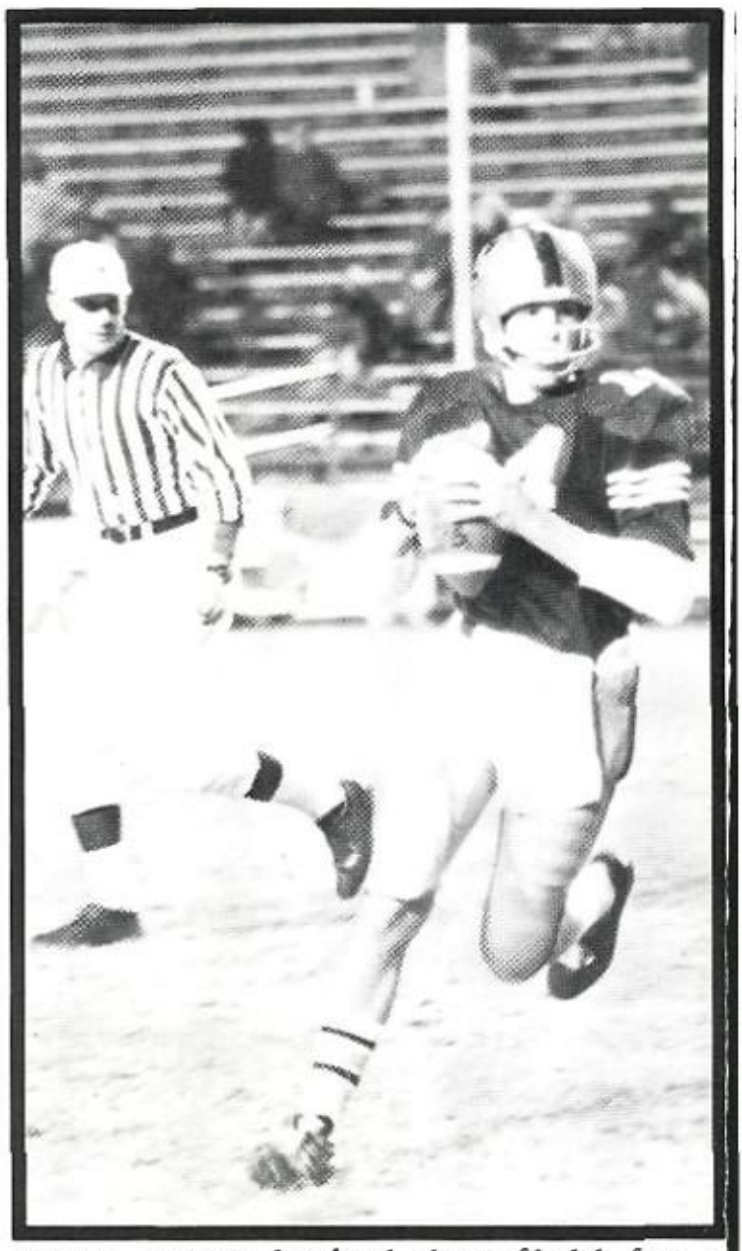
The defense surged through the opponents' line.

COWBOYS SLIPPED BY RAIDERS, 7-0

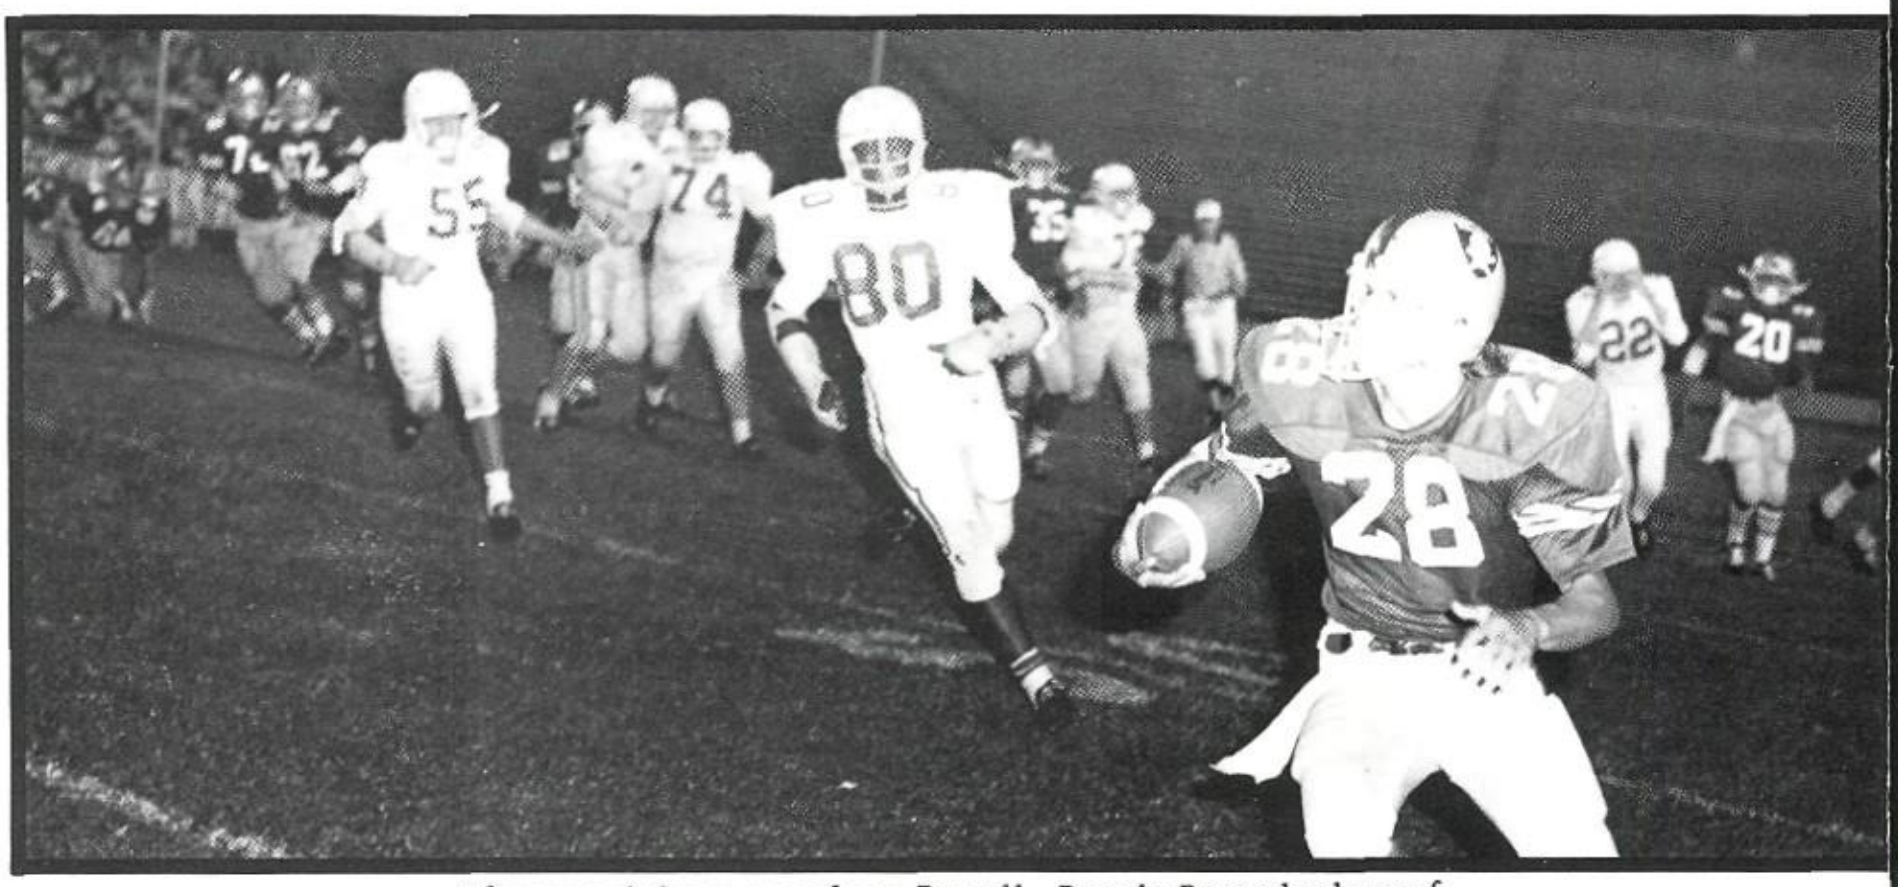
The offense just couldn't get it rolling as the defense held Southwood to one touchdown. It was a hard fought game. A fumble ended a promising drive by the Raiders. Southwood's only score came on a pass play just before the half ended. The Huntington defense once again did a good job. But the final score put the Raiders on the short end of the stick, 7-0.



Marcus Higgins was a talented defensive back.

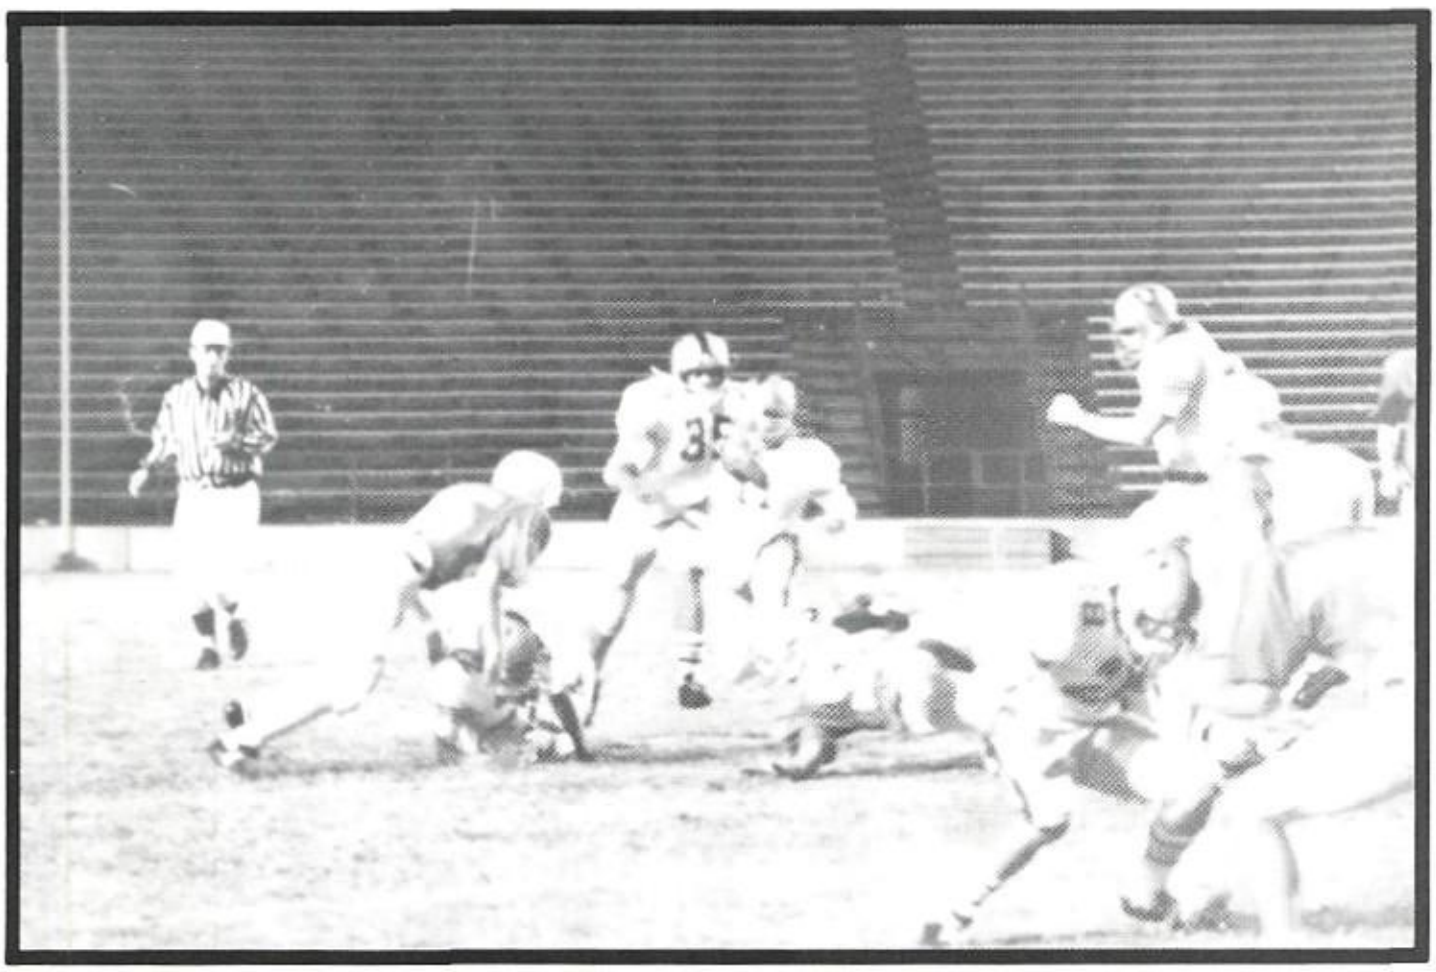


Larry Crane looked downfield for a receiver.



After receiving a pass from Powell, Boogie Boggs broke turf.

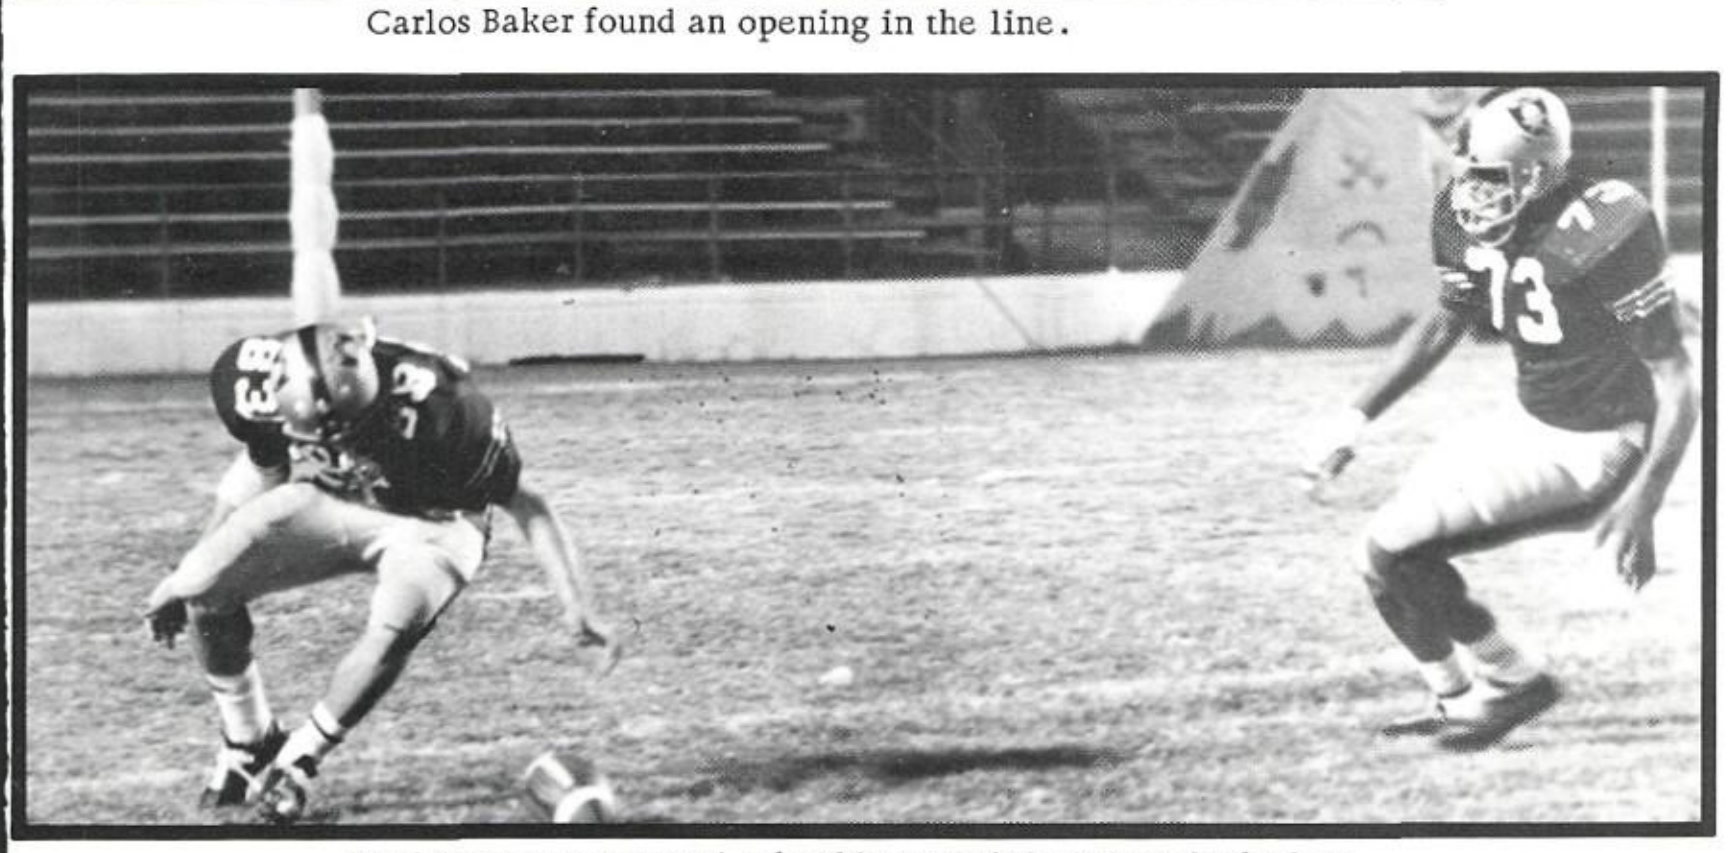
RAIDERS SHUT OUT LIONS, 17-0, IN FIRST DISTRICT WIN



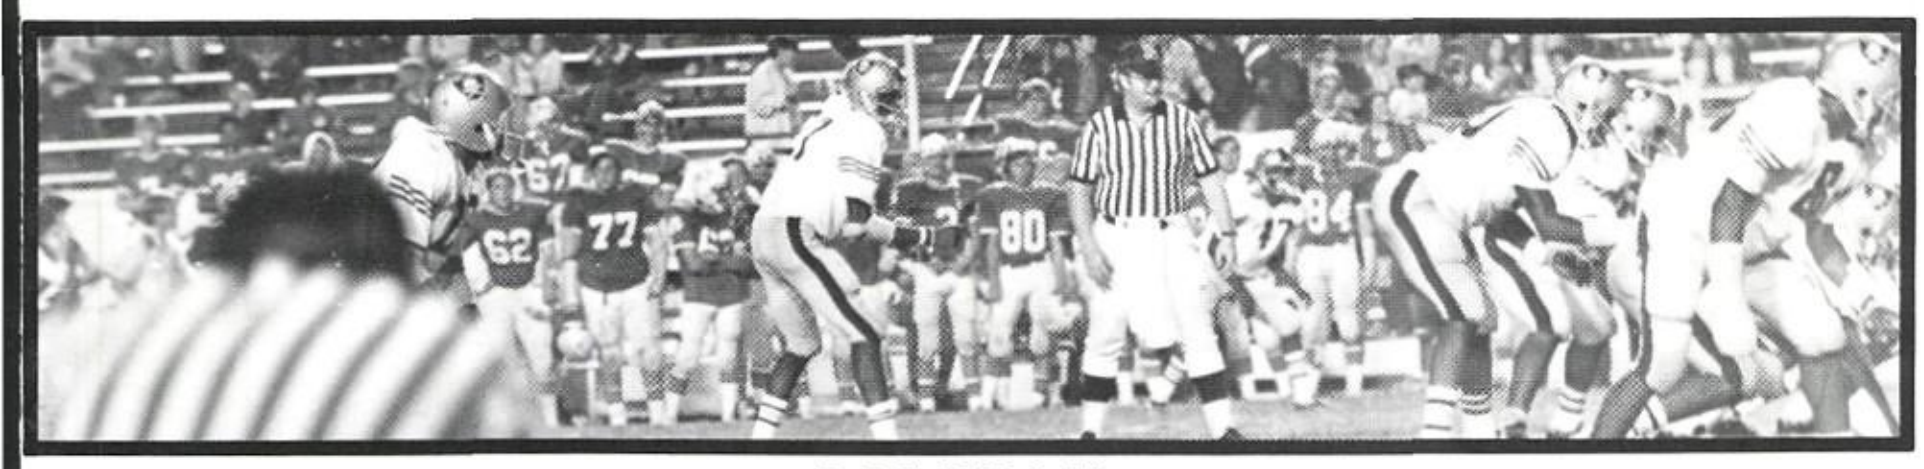
Carlos Baker found an opening in the line.

The mighty Raiders pulled it together by winning their first district game. Both offense and defense had a good night. The Raiders defeated the Lions by scoring twice off BTW mistakes in the punting game. The first score came on a safety.

The second score came when Carlos Baker took a half off from Stan Powell and rambled 10 yards for the score. That made the score 9-0. The Raider defense held the Lions to one first down the whole game. Then a blocked punt was recovered in BTW's end zone. The final score was 17-0.



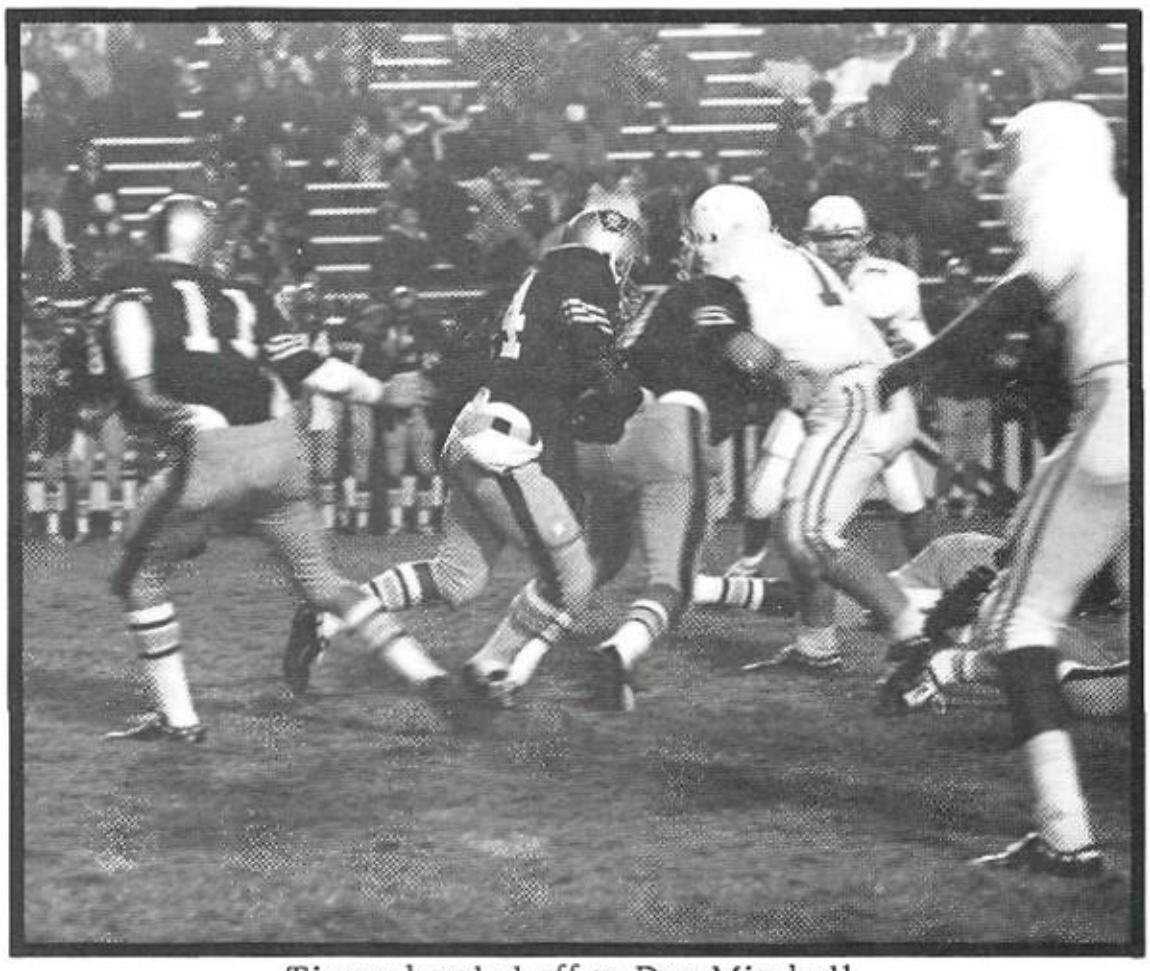
Fred Speece recovered a fumble as Calvin Dotson looked on.



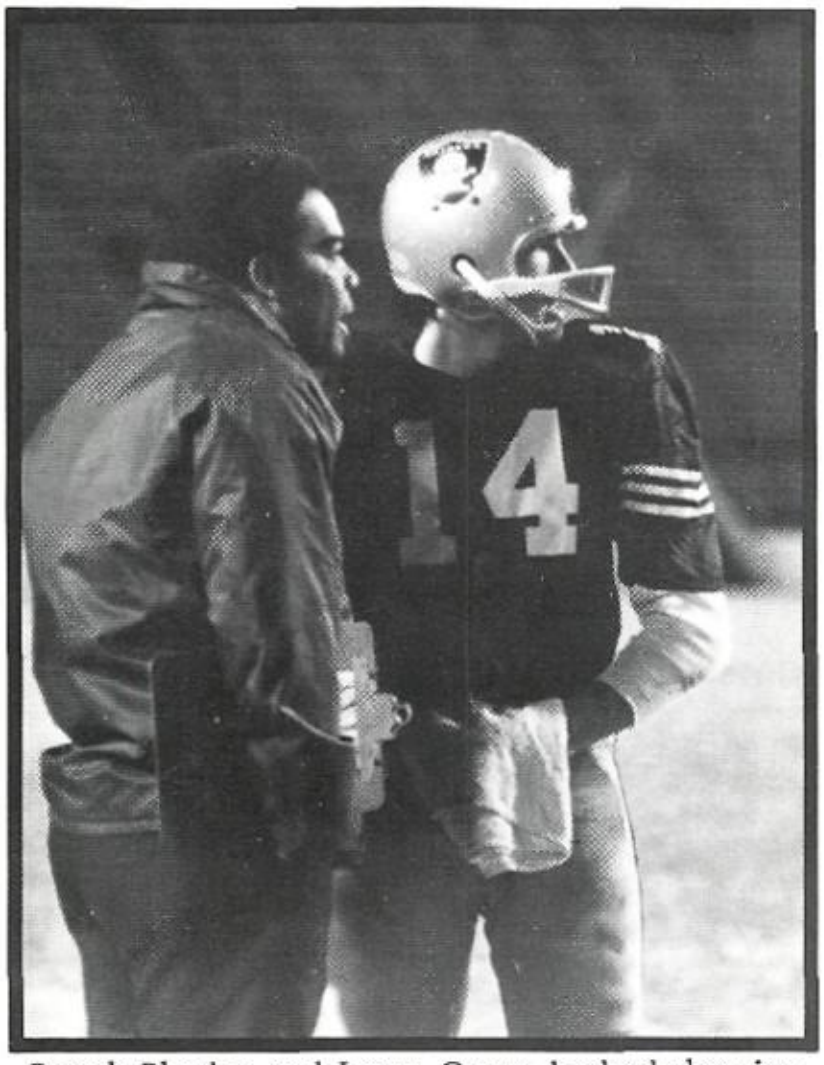
D-E-F-E-N-S-E!

KNIGHTS BLANKED RAIDERS, 21-0

The Huntington Raiders were downed by the Woodlawn Knights. The Raiders had a promising drive stopped early in the game on the one yard line. Quarterback Larry Crane was ejected early in the game. Tim Tipton led the team the rest of the way. The Knights rolled up 21 points against the Raiders. The Raiders just couldn't get it together as the Knights won 21-0.

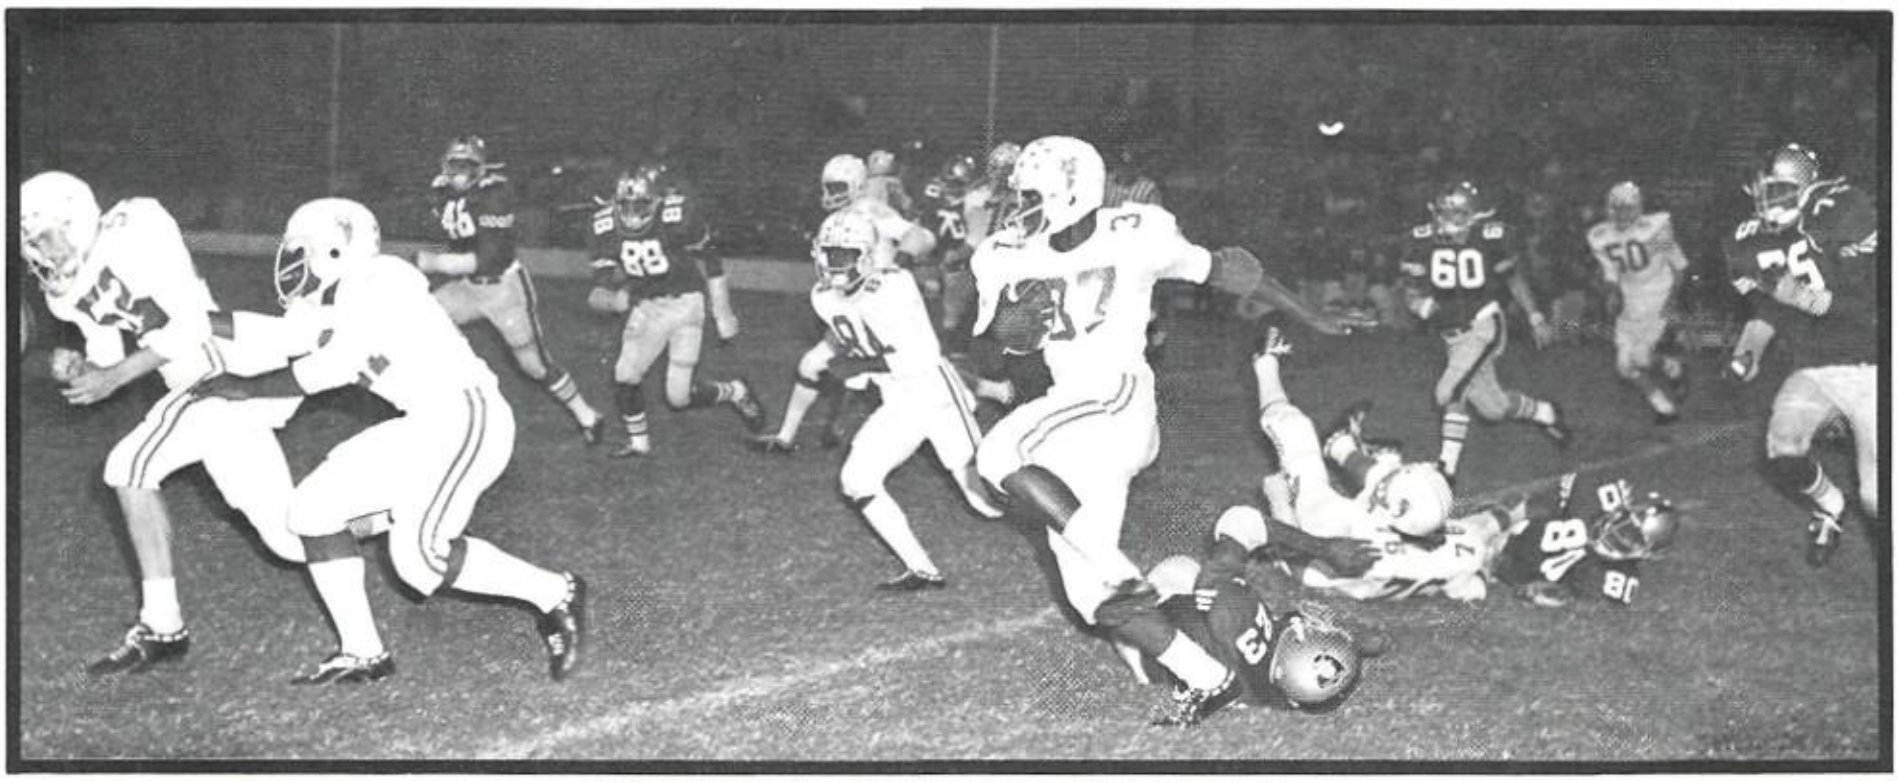


Tipton handed off to Don Mitchell.



Coach Rhodes and Larry Crane looked the situation over.

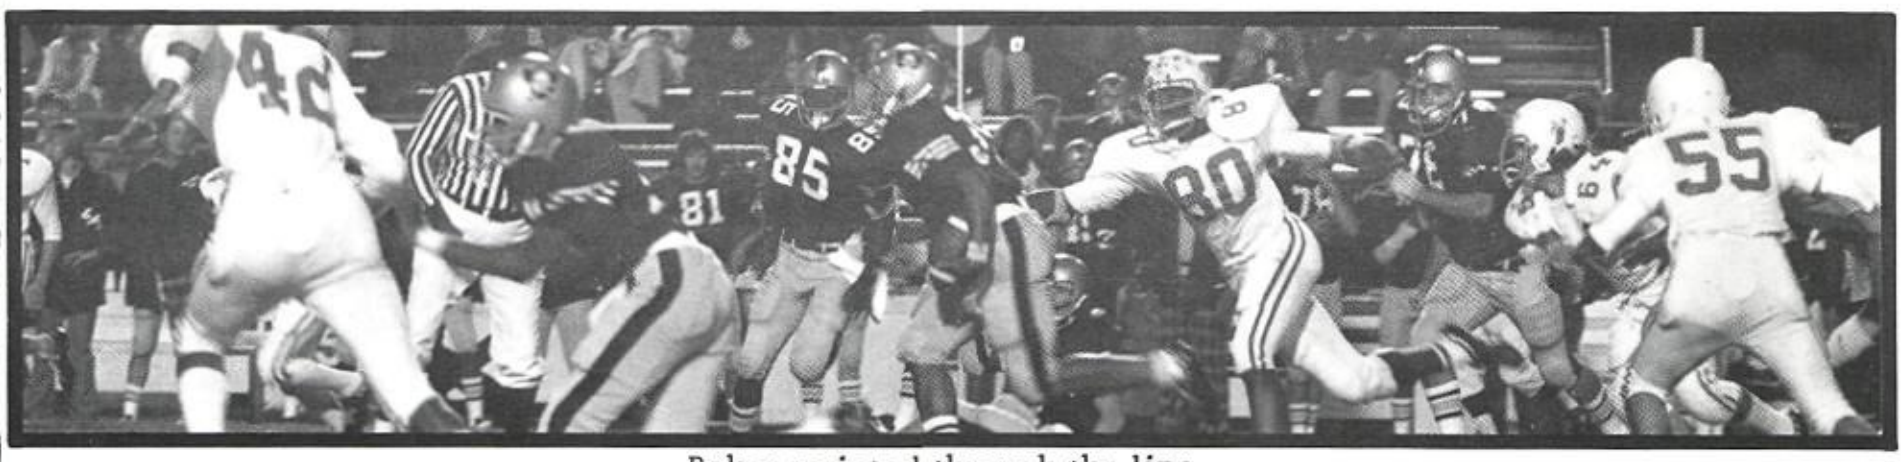
Micky Durden attempted to catch a pass.



Defensive pursuit slowed down an opponent.

Carlos Baker was chosen MOST VALUABLE player in district 1-AAAA.

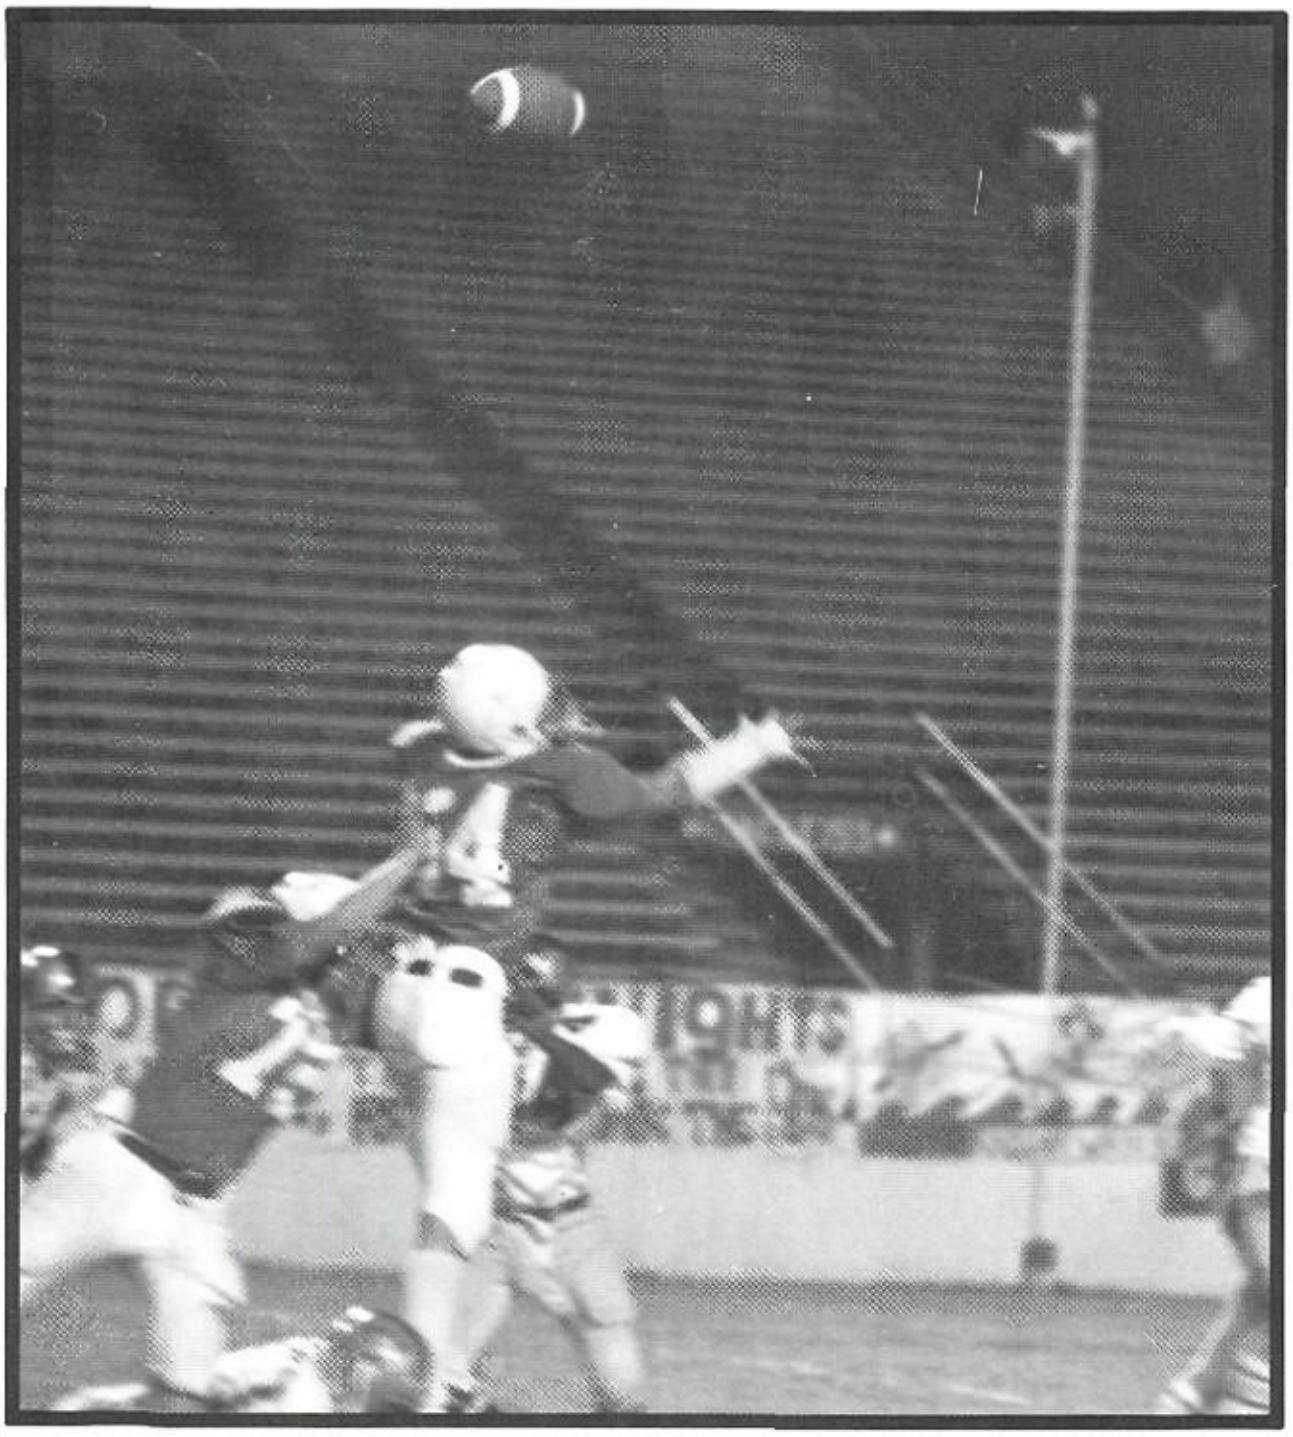
Barry Coleman stopped the ball carrier.



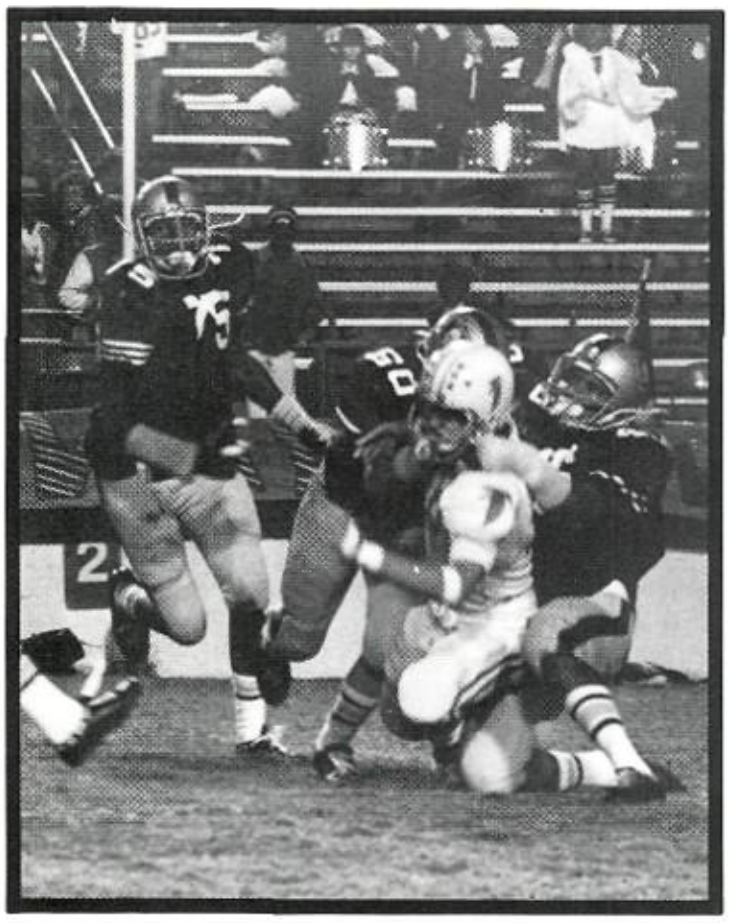
Baker sprinted through the line.

INDIANS SCALPED RAIDERS, 21-9

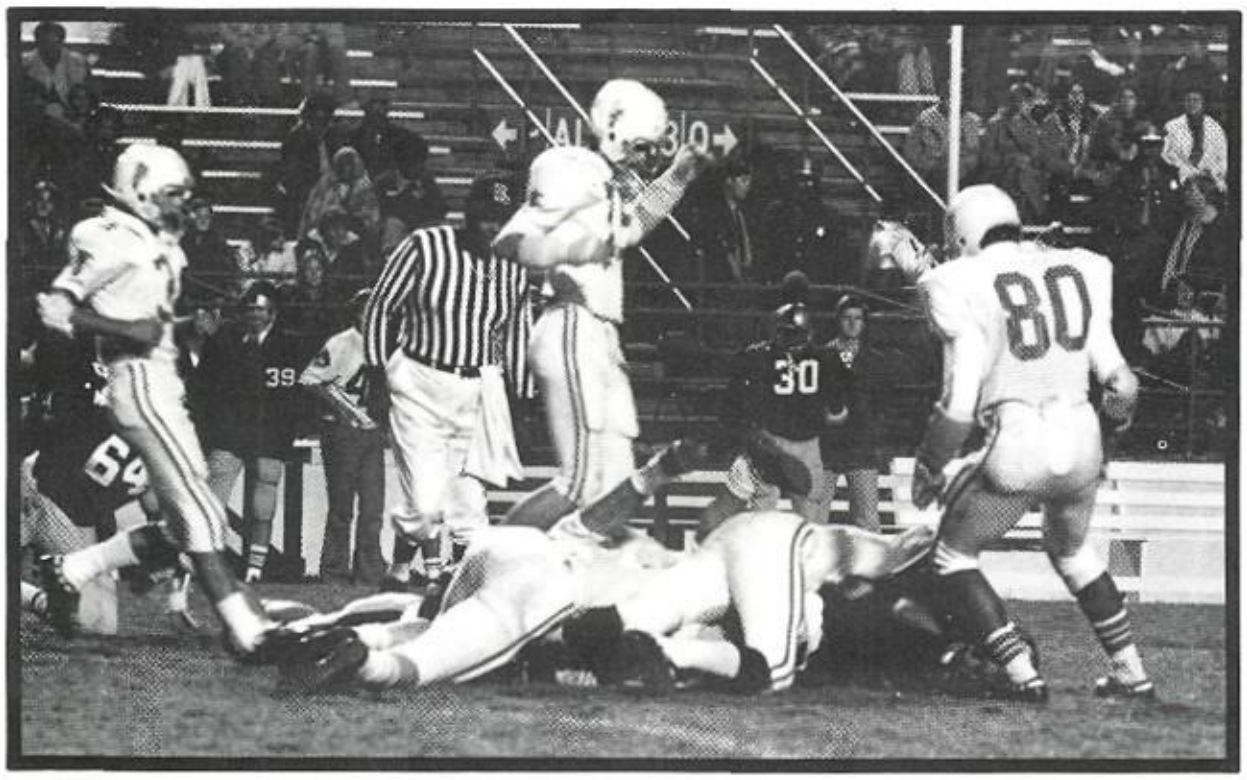
For the first time in history, it looked as though the Raiders were going to beat the Indians. The Raiders jumped out to a 9-0 lead at halftime off of a field goal and a 12-yard fumble recovery by Jeff Fobbs. But after the half the Indians came roaring back to beat the Raiders 21-9.



Tipton lofted a pass over the heads of the defenders.



Richard Davis, Russ Hudson and Jeff Fobbs pulled down the quarterback.



An opponent jumped offsides and ran into Crane.

Big "D" stopped another ball carrier.

RAIDER BASKETBALL '76-'77

The Huntington Raider Basketball team had it together in the 76-77 season. Coach Larry Shoemaker had the team in tip-top shape before every game. With starters, George Bryant, Andre Dixon, Andre Lewis, Richard Davis, and Gary Graham, a group of fine athletes waited their turn on the bench.

With a record of 5 wins and 2 losses three-fourths of the way through district play, the LHSAA suspended Huntington from all sports thus ruining basketball playoff hopes. At the time of suspension, the Raiders' overall record was 15 wins to 15 losses with 3 games remaining to play. The completed season would undoubtedly have been the best in Huntington's history.

HUNTINGTON'S SPORTS SUSPENDED

On February 11, 1977, the Louisiana High School Athletic Association suspended all sports at Huntington for one year. An appeal was made to the LHSAA to lessen the penalty. The executive board of the LHSAA held a hearing on February 22 to determine the fate of Huntington's sports. The final decision was one year probation and a $300 fine. Mr. Odom and Coaches Rhodes and Shoemaker were reprimanded.

The following articles were published in the Shreveport Times and the Shreveport Journal, respectively.

Bill Rutkin on Huntington suspension

Players hurt the most

Huntington High School has been suspended from varsity athletic participation for one full year for ignoring a regulation of the Louisiana High School Athletic Association and continuing to use an ineligible student-athlete after being advised of the infraction by LHSAA Commissioner Frank Spruiell.

The far-reaching effects of the ruling, pending an expected appeal, have done more than just hurt the officials and coaches at the school. The ruling has done more than just damage the standing and reputation of the school. In fact, the ruling hurts innocent individuals far more than it hurts the school itself.

It is the eligible student-athletes who are suffering from the ruling. They lose their rights to participate in varsity athletics in any LHSAA school for one year because of this ruling.

There is simply no justification for this last penalty.

Huntington High School may be guilty of a rules infraction, but what did the student-athletic do that also would make him guilty of that?

Why should student-athletes lose their rights because of a wrong done by their school?

According to the LHSAA bylaws, a student who was a member of a school that is under suspension is ineligible to participate in athletics in any other school while his first school is under suspension.

There went the rights of Huntington's student-athletes to participate in sports and hopes of earning college scholarships or just developing athletic skills.

The first people to suffer from the effects of the ruling were the basketball players, who missed a chance to make the playoffs. The track, tennis, baseball and golf teams, who were gearing to start their seasons soon, are suffering, too.

Next season's football team may suffer the greatest damage, however. The Raiders were expected to field their best team in the team's brief history this fall.

One of the top linemen in the district is a junior, Keith Mack, who goes to school at Huntington. Junior Wayne Methvion is a good kicker and end. Running backs Gerald Newson, who gained 329 yards rushing last season, is also a junior.

As it stands now, their prep careers are all over. Their opportunities to go to college have been jeopardized.

Incoming freshmen and sophomore student-athletes will also suffer from the ruling. It is difficult to lay off for a year and then come back at your best.

The LHSAA is a private, non-governmental organization that has been given the power by the schools to oversee high school athletics.

It is the duty and the obligation of the LHSAA to hand down rulings.

The association has ruled according to the book on the violation. The rules specifically state that suspension shall be the penalty for any school that continues to use an ineligible player after it has been warned.

That is the rule.

But the penalty is much too harsh, because it hurts people who have done absolutely nothing wrong. People who have absolutely nothing to do with the situation.

There are other examples of punishment more fitting the offense.

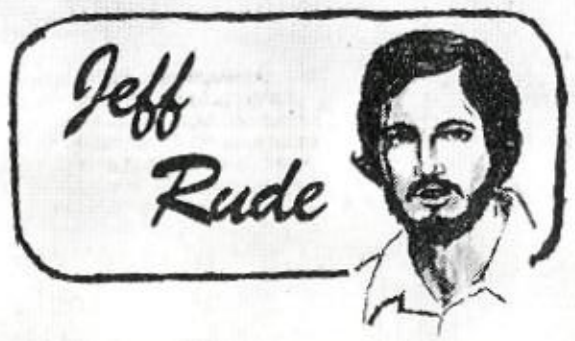
In cases where a school has been found guilty of rowdyism at athletic events the penalty is to bar the guilty persons from future events.

In cases where a school has been found guilty of using an ineligible player in a particular sport, the penalty is for the team to forfeit its wins in that sport.

Those penalties are easily understood. They seek to penalize the guilty individuals but still allow the innocent ones to compete.

It seems that justice would be better served if a penalty that suits the offense could be administered in Huntington's case.

Rule on Raiders Far From Logical



In the friendly confines of the Journal sports department, we jokingly refer to it as the "Ed English jinx." The latest victim: Huntington High School.

For Friday's paper, Easy Ed pounded out a story, very newsworthy at that, on Huntington, which appeared to be a good bet to make the District 1-AAAA basketball playoffs with a win over district foe Southwood.

In describing the Huntington situation, Easy Ed pointed out that playoff trips for the Raiders, in any sport, have been nonexistent since the school opened in 1973. Now, the hungry Raiders, 15-15 overall and 5-2 in the district, were licking their chops.

So, our buddy Ed is asked to write an appropriate headline. Appropriately, he types: "Playoff Payoff . . . Huntington Nears Promised Land."

Zap. That did it, went a little too far. Ironically, there would be no promised land for Huntington High School. For from it. In fact, there would be no game that night for the Raiders.

That day, the Louisiana High School Athletic Association handed the Caddo Parish school a one-year suspension in all sports. This was no joke.

The suspension, seemingly absurd, was given because the school had used an ineligible transfer student in junior varsity basketball games. Because of the player's use, Frank Spruiell, commissioner of the high school association, said that Huntington will not participate in any sports until Feb. 11, 1978, one year from the date he notified the school offices and the Caddo Parish superintendent's office of the action.

(The student in question is Robert Louis Smith, who transferred from Minden High School nearly 10 months after the death of his mother. The LHSAA stipulates a student may transfer to another school up to six months after the death of a parent and retain eligibility.)

The basis of the penalty, Spruiell said, comes from Article 4, Section 7 of the association's constitution, which frowns on "the continued use of an ineligible student" and stipulates such a harsh penalty.

Spruiell said Article 1, Section 14 of the LHSAA constitution states "students participating in interschool games or scrimmages, on the second team, B-squad, junior varsity or any other team, shall meet the same eligibility requirements" as those playing in varsity games.

The student, in the fall, was ruled ineligible, in writing by the LHSAA, to compete in varsity football, then was allowed by the school to compete in basketball on the junior varsity level. Huntington principal Joseph Odom said he had the understanding that the player was ineligible only for varsity play.

Obviously, there was a misunderstanding. An oversight, which, subsequently, became a very costly error. The lack of awareness of the rules is the school's fault.

But what is irritating, on the other hand, is the rule in the constitution, drawn up in 1920 by the member schools' principals (now numbering 444) and revised each year at annual meetings.

Should the play of one transfer student, on the junior varsity level at that, cause penalty to every student in the school who wishes to compete athletically? Is this logical?

Put bluntly: no. It is stupidity. There will be no playoffs in basketball, no promised land. There will be no baseball in the spring. There will be no football next fall. There will be no chance for a basketball title next year.

In essence, there will be the loss of a lot of dollars and cents. (A loss of sense on the part of the rule.) Because a transfer student was used on the "harmless" junior varsity level.

Why make every athlete at Huntington High School suffer? Let's use reason. Why not just make the Huntington junior varsity basketball team forfeit all the games the ineligible player took part in?

Spruiell said, "I don't have the power to waive the rule in any way, form or fashion."

Great. He doesn't. But, as commissioner, he can use foresight and direct suggestions to the member principals. It is unfortunate such a rule, which penalizes an entire athletic program because of the use of an ineligible player (in this case on the junior varsity level), was passed in the first place . . . then allowed to sit and get stale.

Obviously, it's time for change. It's time for the LHSAA to act fast. It's time for its representatives and constitution makers and revisers to look in the mirror and ask the question: "Is this penalty fair?"

If they're honest, the answer will be no.

Of some consolation, Huntington has the right to appeal, within 15 days, the decision. The school, of course, will do so. The plans are in the making.

Once the appeal is made, a 17-member executive committee will hear the case. For a rule to be revised, it would take a majority vote of those present.

Big deal . . . as far as Huntington is concerned. A playoff possibility in basketball will be gone. Games already have been forfeited. The stab wounds already are infected. Hearts already are broken.

Assault and battery, you see, is a serious crime. And, sadly enough, it can't be taken back.

The Huntington Raider Baseball team showed much promise for future teams. With a record of two wins and eight losses, the Raiders were always in every game down to the wire. The two victories came when the Raiders defeated the Woodlawn Knights and the BTW Lions. Freshman, Ricky Hardaway, set a Huntington record by defeating Woodlawn with his pitching ability. With catcher David Baker backing up the plate and a group of fine pitchers, the opposing batters were often sent to the bench dejected.

Two players represented Huntington in District 1-AAAA. Wayne Methvien was selected all-district as a utility player, and Micheal Hermes was selected all-district as a third baseman.

COE

Mrs. Williams discussed the correct format for typing a letter of application with Janet Gravesen and Beretha Jernigan.

Cooperative Office Education is a cooperative work and training program for high school senior students who are preparing for employment in office occupations. The student attends school in the morning and works in an office in the community for part of the school day. The COE student trains at the high school level, through a combination of classroom instruction and actual work experience in bookkeeping, filing, typing, office machines, telephone techniques, duplicating work, and related business procedures. Three units of school credit are given for successful classroom and job performance.

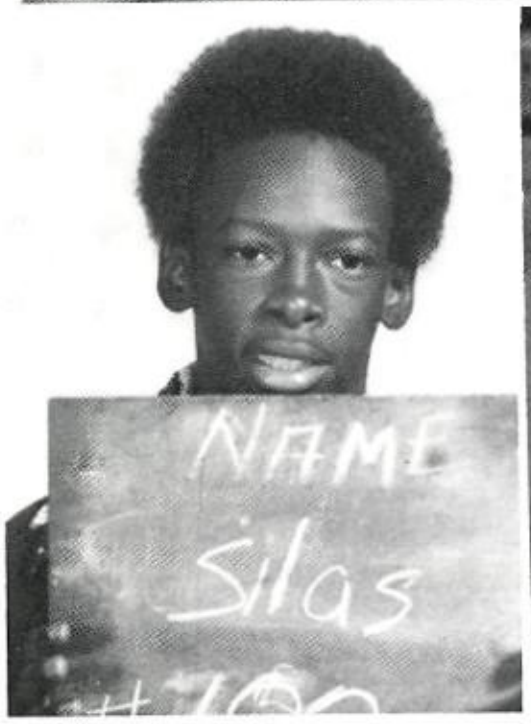
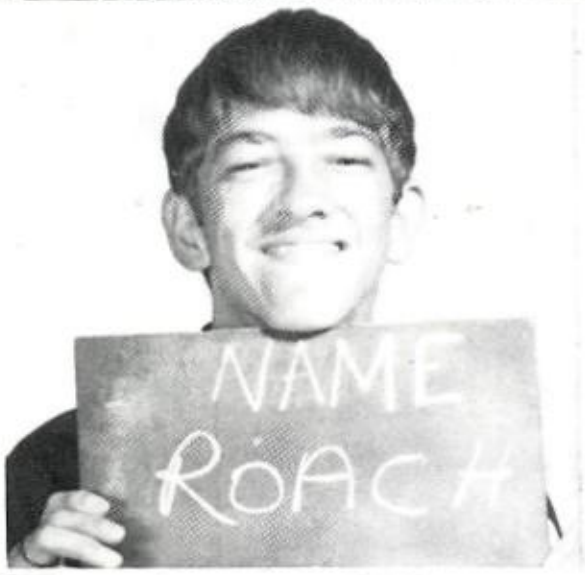
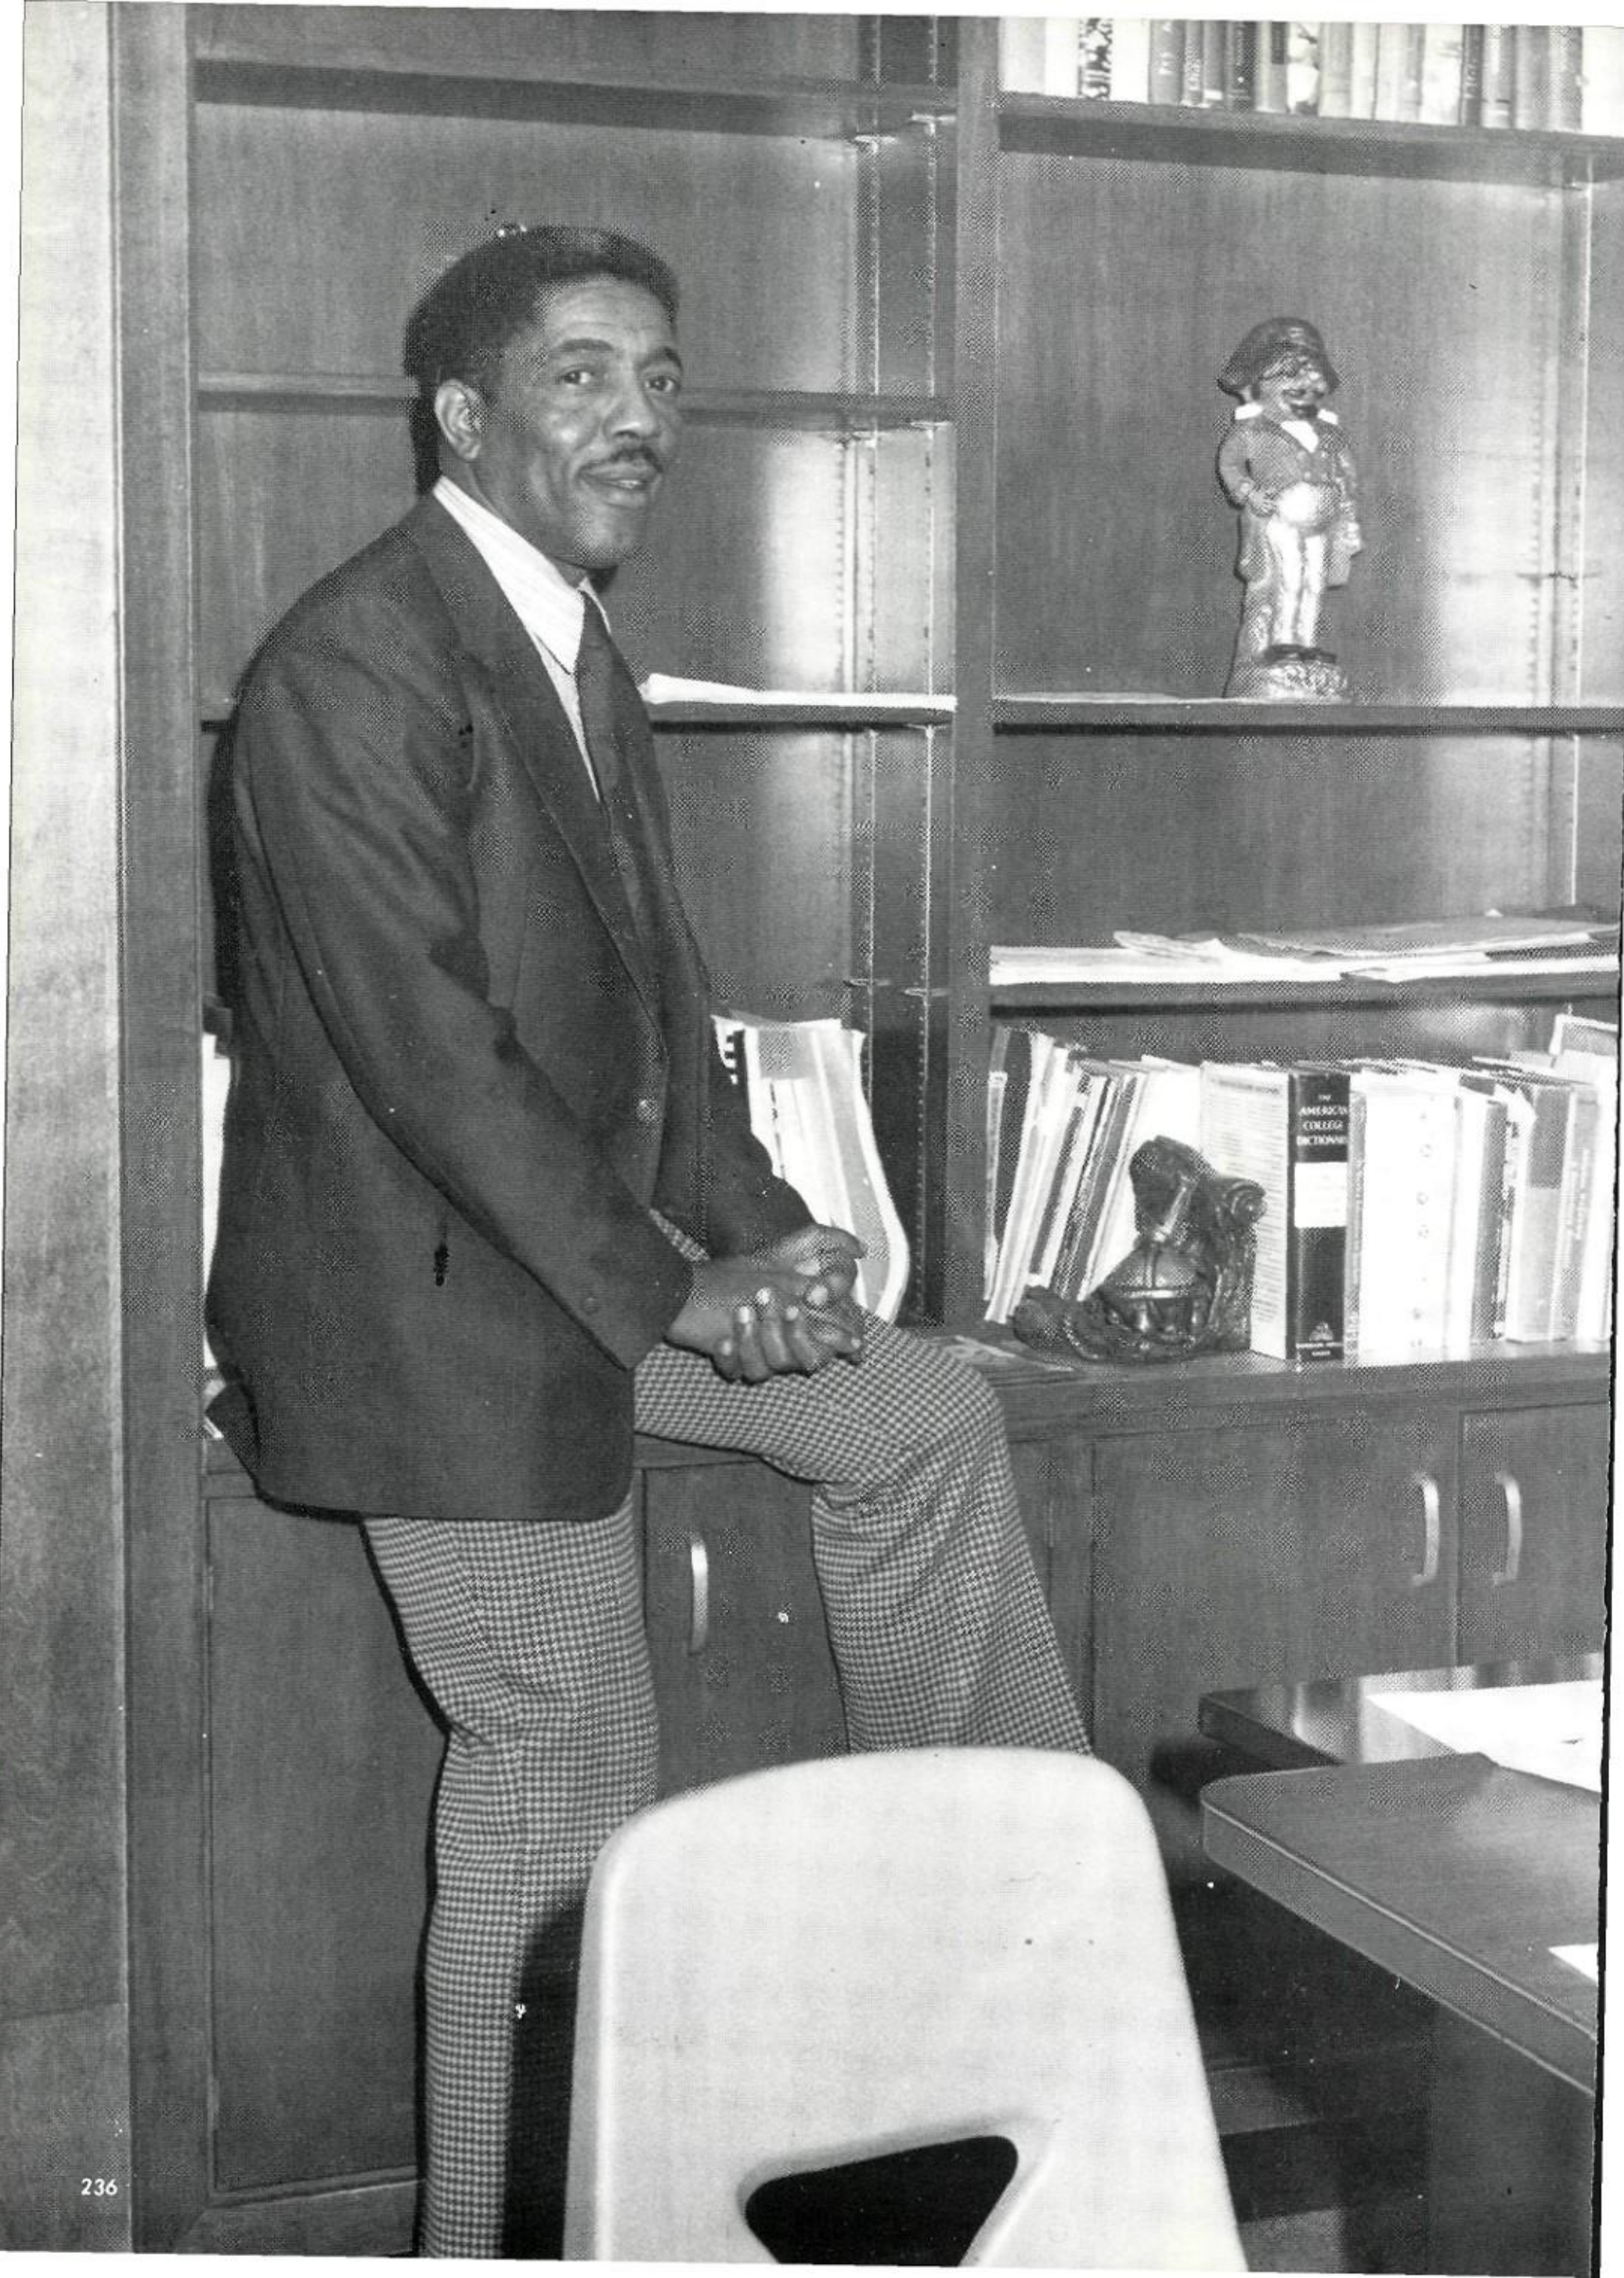
FRESHMEN MUGS





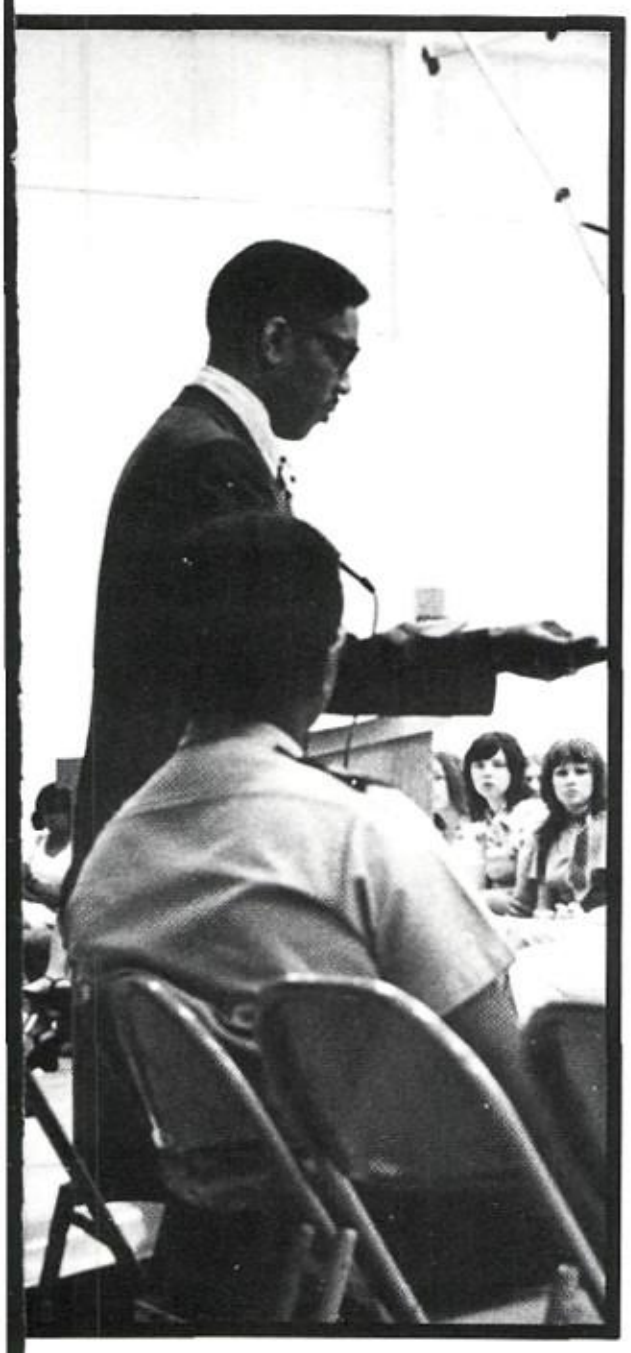
ADMINISTRATION AND FACULTY



MR. ODOM NAVIGATED RAIDER SPIRIT

Mr. Joseph E. Odom received his early academic training in the public schools of Mobile, Alabama. He received his B.S. from Grambling State University and his M.A. from Ohio State University.

His past training and academic background have laid the format for his superior administrative abilities. Mr. Odom's spirit and dedication have developed a sense of well-being and togetherness among the students. Huntington High School's victories and growing pains as a young, proud school have shown Mr. Odom to be a "True Raider" in the fullest sense of the word.



DR. FITZGERALD BOARDED RAIDER SHIP

Dr. Rose Fitzgerald is the Assistant Principal of Instruction. She came to Huntington in the latter part of the 1976 school year. She brought with her a wealth of experience, knowledge, and innovative ideas.

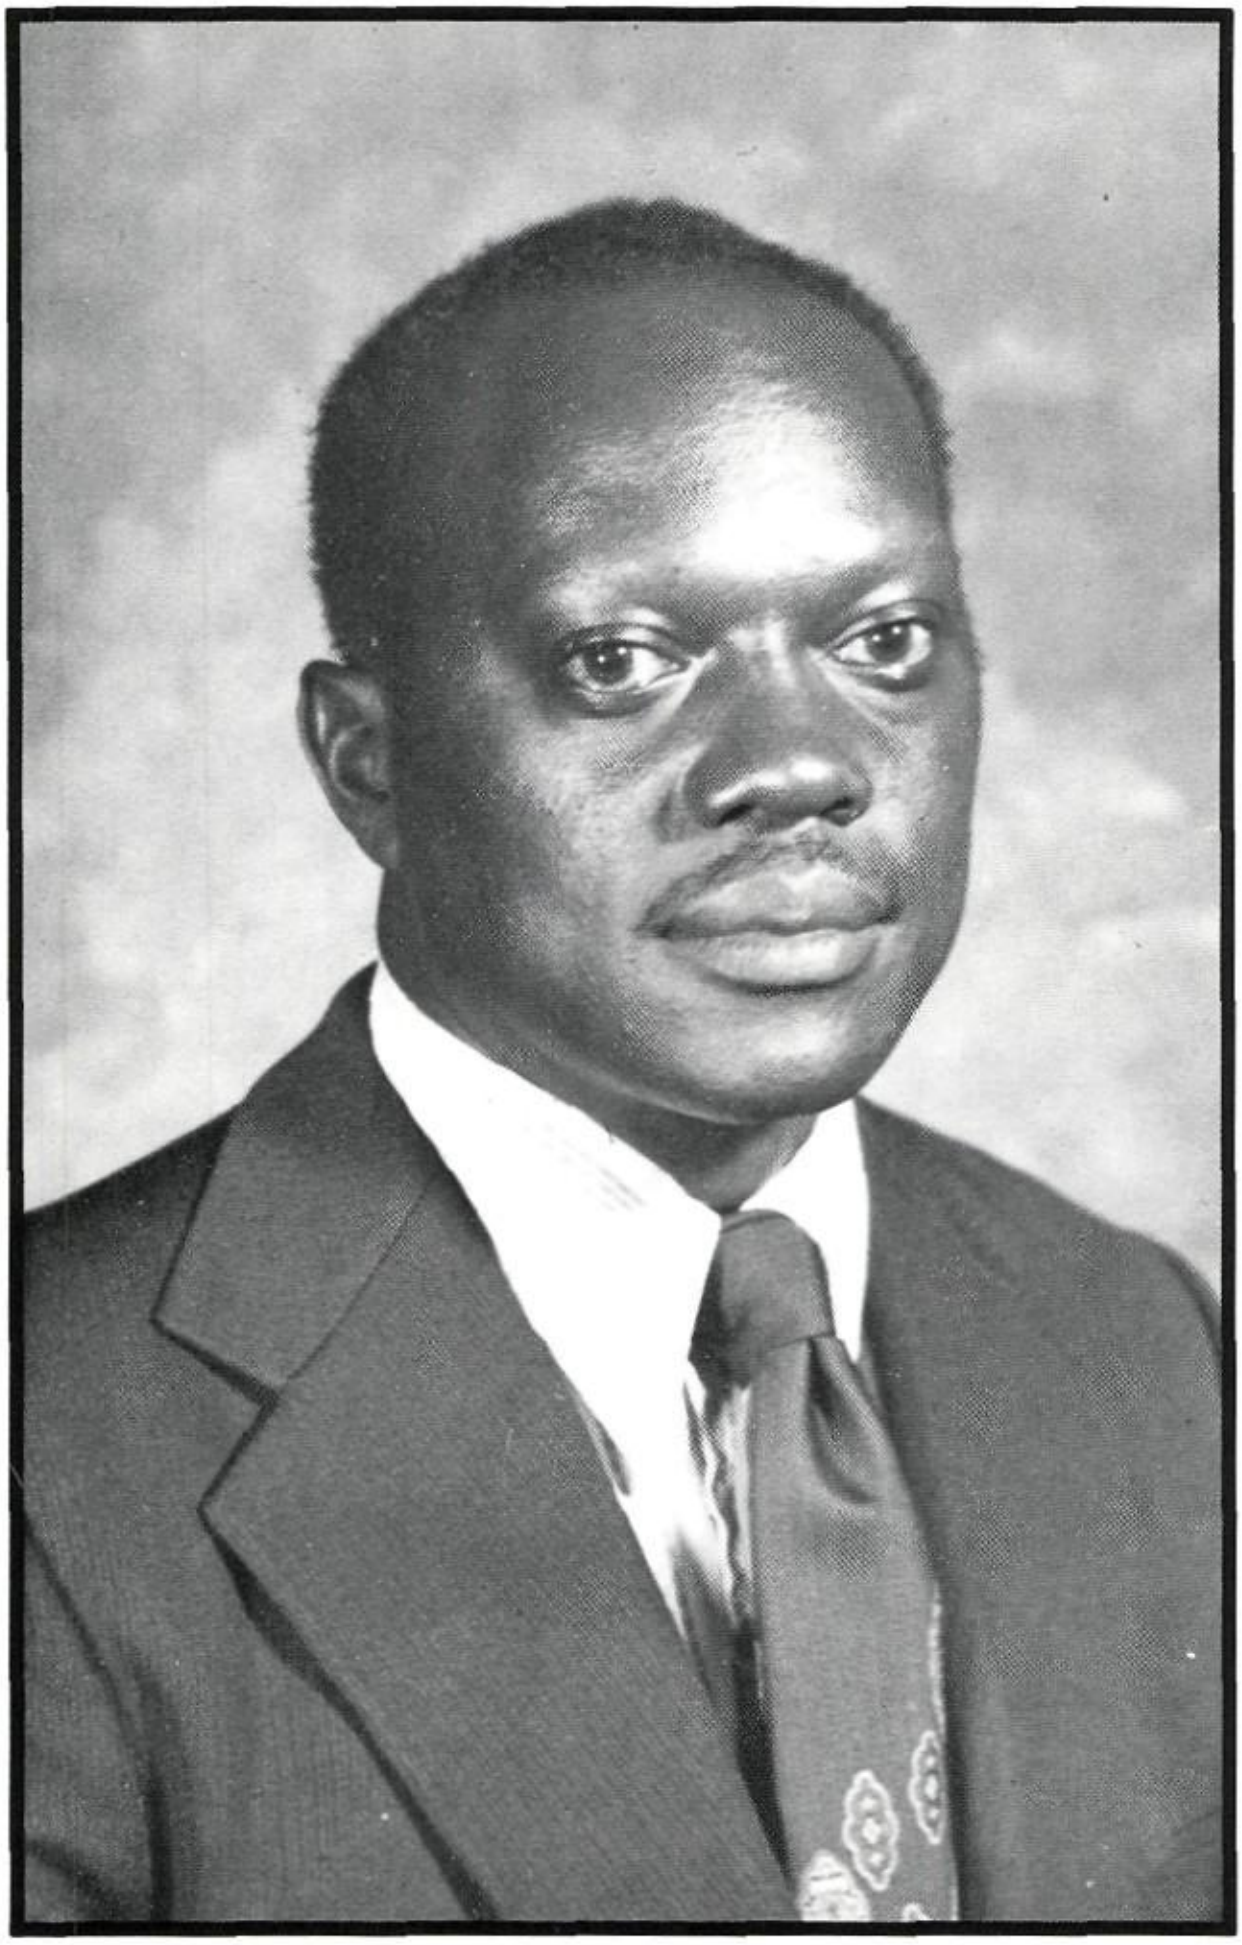
Positions she has held include teacher, counselor, and coordinator in the Caddo Parish Schools. Her B.A. was earned from Southern Methodist University and her M.A. and Ed.D. from Northwestern State University.

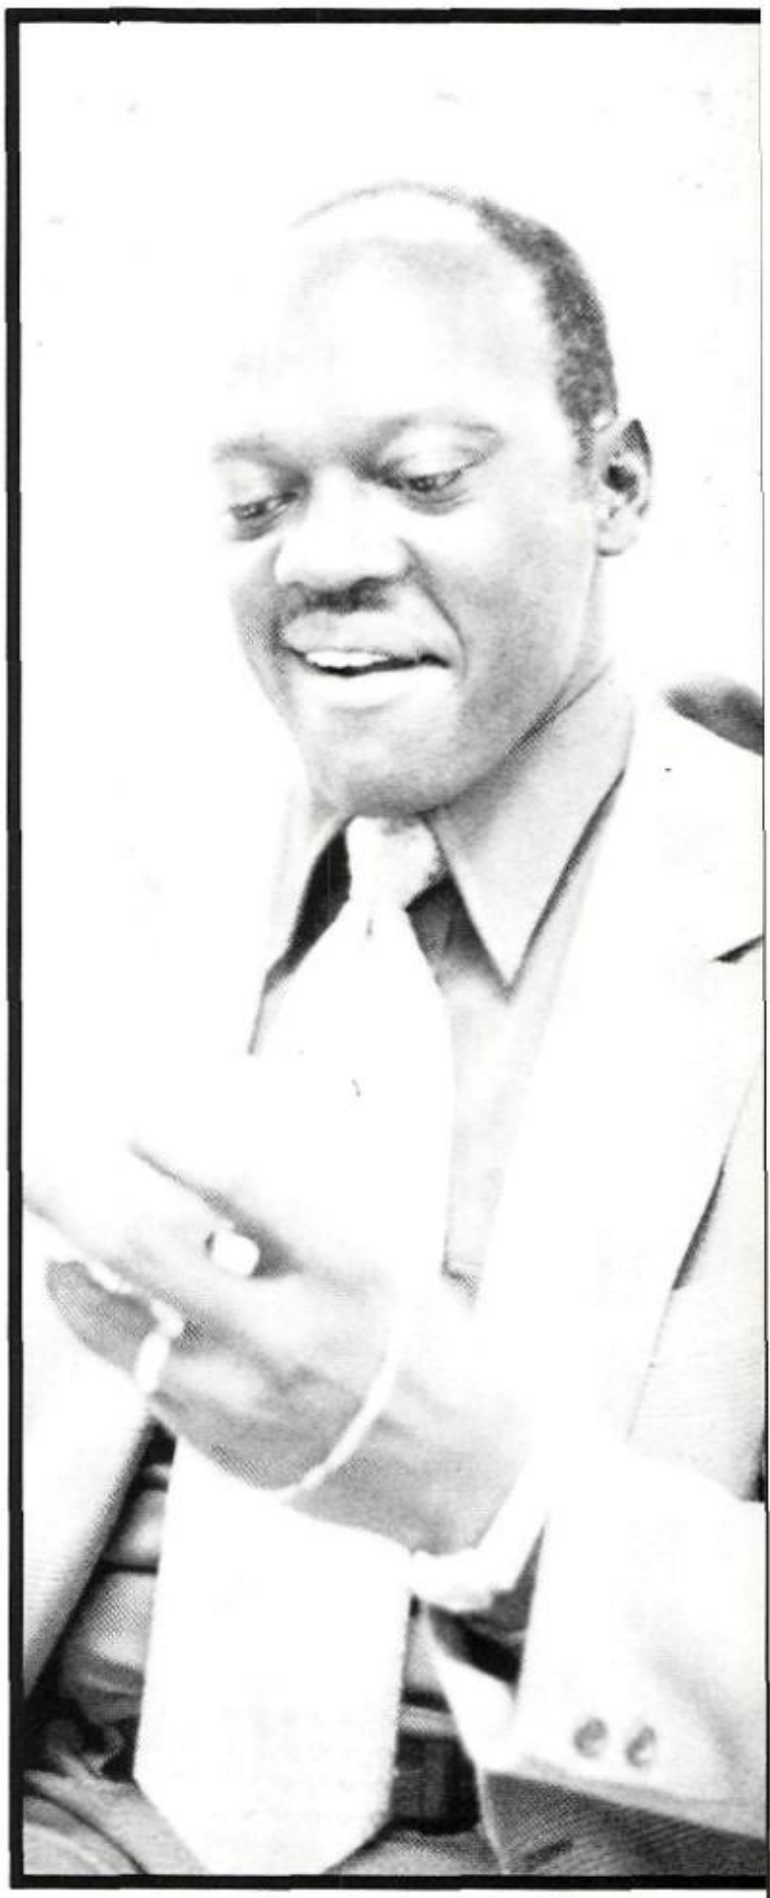
She enjoys watching the Dallas Cowboys, sewing and gardening.

MR. VALORE STEERED DISCIPLINARY AFFAIRS

Mr. Abram Valore is the Assistant Principal of Administration. He enjoys reading, fishing, a skillful game of chess, and backs Huntington's sports activities enthusiastically.

Mr. Valore received his B.S. from Grambling State University and his Masters of Education from the University of Southwestern Louisiana.





Mr. Valore enjoyed Po-Boy at faculty get-together.

One Bell System. It Works.

When you stop and think about your day-to-day life, you probably spend more time communicating - and being communicated with - than any other single activity.

The textbooks you read, your teachers' classroom presentations and, for that matter, all of education is really just communications. Add to that, newspapers and magazines, radios, televisions, your conversations with friends and the letters you write and we think you'll agree that communications is a big part of your life.

And . . . don't forget the telephone. If you're at all like most students, you probably spend at least an hour each day communicating by telephone with your friends.

Chances are, the telephones you use each day were made right here. The Shreveport Works makes over five million telephones a year for South Central Bell and the other Bell System telephone companies. Bell Laboratories designs them. We build them. The Bell telephone companies install and keep them working. We're all part of a team - the Bell System team - working together to bring you and your friends the best in telephones and telephone service.

A TASK COMPLETED

Having completed the yearbook, I would like to express my gratefulness to the staff members for their support and encouragement. I've enjoyed working with both the old and new members alike.

Many trying and rewarding experiences were received during the five months the staff needed to compile the GALLEON.

The GALLEON Staff would like to gratefully acknowledge Mr. Joseph Odom, Mr. Robert Trudeau, Reece Cox, Herbert Kelly, and Clifton Odom for their help during the 76-77 school year.

A special thanks and note of appreciation go to Mrs. Eleanor Devers and Mrs. Mary Dickens, the backbone of the GALLEON Staff, for without their guidance and supervision there would be no yearbook.

My experiences continued to grow as I served on the GALLEON Staff and I look forward to another successful year.

Sincerely,

Marcie Drayer
